Disclaimer: No such movie exists. This is a parody. We know Hollywood never exploits women sexually or portrays them as sex objects. That's our job.

A woman with long blonde hair is seen from behind, wearing a black, shiny latex outfit. The outfit has a large, circular cutout in the back, revealing her buttocks. She is holding a pink vibrator in her right hand, which is positioned near the cutout. The background is a plain, light-colored surface.

She'll Never Forget

By Nancy Ann

Learning "The Ropes"...

I'd like to share a letter from a reader, about a secret that makes sex absolutely explosive (literally!).

Amy writes:

Nancy, my boyfriend has always been able to satisfy me sexually. With an ample cock-size, average endurance, and creative oral technique, he almost never fails to get me off. But what I experienced the night he returned home from a business trip in Europe was the surprise of my life—a fucking I will never forget, and an orgasm that no man before him has ever come close to equaling.

Since I love to suck cock, the second my boyfriend dropped his luggage I stripped off his clothes and proceeded to please him with my best welcome-home blowjob.

Before long my wet mouth had him pumping gob after hot gob down my throat and on my face. With a fistful of throbbing cock, I held on for dear life as he unloaded his sweet jism; these were "power throbs" that kept launching massive amounts of come. I've never seen anything like it—a man having a multiple! I was so totally turned on being nearly drowned with his super-human load. And it didn't stop there! He stayed erect, throwing me down on the floor and pounding my twat until we both had simultaneous, earth-shattering orgasms, practically causing both of us to pass out. The rest of the evening and throughout the week we fucked ourselves into a frenzy; his recovery time between these super-charged orgasms was that of a teenage boy.

Since that mind-blowing night, all I can think of is sucking and fucking my new "power lover" all hours of the day and night. Finally, curiosity got the best of me, so I asked what had turned him into such a fuck machine. His answer: He had learned "The Ropes."

Turns out my boyfriend had spent an evening in Europe with a Swedish nutritionist and his wife of 20 years. The couple was openly sexual and couldn't keep their hands off each other, so my boyfriend asked them

their secret. The nutritionist explained he regularly took a natural supplement, and gave my boyfriend about a month's supply, telling him it would teach him "the ropes" of great sex.

The supply is about to run out, and we want to know where we can buy this incredible enhancement. Do you know if this product is available in the States?

Amy B.
Dallas, Texas

Amy, you and the rest of my readers are in luck, because it just so happens I do know about "the ropes," and the supplement your boyfriend's

Swedish nutritionist friend likely shared.

The physical contractions and fluid release during male orgasm can be multiplied and intensified by using a product called Serogen. It's a natural, pure extract specially formulated to trigger better, more powerful orgasmic experiences in men. The best part, from a woman's perspective, is that the motion and experience a man can achieve with Serogen can help stimulate a strong female orgasm.

The term the Swedish nutritionist used is actually fairly common slang for the effect your boyfriend experienced. The enhanced contractions and heightened orgasmic release are often referred to as "ropes" because of the rope-like effect of release during climax.

As far as finding this enhancement in the States, I know of just one importer—Somalab. If you are interested, you can contact the company toll-free at 1-866-SOM-A-LAB or visit the Web site www.somalab.net. Serogen is an all-natural, herbal-derived tablet. Most people I've spoken with have said that just taking three a day has led to the roping effect Amy describes in her letter.

HAPPY BIRTHDAY, HUSTLER!

It's been 29 years since the first issue of HUSTLER appeared on the newsstands to drive the bluenoses crazy. Well, in point of fact, the first few issues of HUSTLER were kind of tame, and the prudes would have to wait a few months to get their panties in a twist. That's because I was letting other people tell me what to do. But by issue No. 8, I'd had enough of that. I decided to create the kind of magazine I wanted to see and to say the things I wanted to say—no holds barred—while ignoring the people who said, "Larry, you can't do that." From that moment on I did and said whatever I goddamned well wanted in the pages of HUSTLER.

In that regard, not much has changed in 29 years. Despite my being shot and paralyzed, despite all the precedent-setting legal battles we've fought in U.S. courts and, perhaps most notably, despite the changes in America itself—a rightward tilt that would have been impossible to imagine even ten years ago—here at HUSTLER, we maintain the same philosophy we had back then. At its core, it's a philosophy that demands we defend the truth, whether it be by displaying a woman's body as it was created or by calling an asshole an asshole, even if he is the President of the United States.

It's a philosophy which will continue to define the pages of HUSTLER for as long as I'm around. You can think what you want of *Playboy* and *Penthouse*, but only HUSTLER presents the truth without hypocrisy and fear.

Unpatriotic Act

I wanted to let you know that Larry's railing against the USA PATRIOT Act (*Publisher's Statement*, April) came not a moment too soon. The ACLU and other organizations have posted resolutions against the PATRIOT Act on the Web, asking that people take them to their City Council. So far about 30 cities, such as San Francisco, Detroit, Ann Arbor and more, have passed the resolutions. Perhaps you guys could write something about it in the magazine and challenge people to contact their legislators. Let's fight this together. Keep America free and out of the control of King George II.

—R.M.

HUSTLER is dedicated to monitoring the reign of George II. We encourage readers and true American patriots to speak out and keep the stolen Presidency from inflicting any more damage on our world.

McCain Fan

I really love your new feature, "Celebrity Fantasy," which began in the April issue with a computer-generated picture

of what Demi Moore would look like with a dick in her mouth and continued in May with Christina Aguilera digitally huffing tube steak. I hope you'll consider showing us what Alyssa Milano, Holly Marie Combs, Rose McGowan and,

oh, yes, Senator John

McCain would look like with dicks in their mouths. Thanks for a hot magazine and a great new feature.

—B.P.

Drums, Pennsylvania

We appreciate you suggesting the cast of the WB's *Charmed* for our "Celebrity Fantasy" feature. HUSTLER also applauds you for being so open about your sexual preferences by nominating such an unlikely sex symbol as former Presidential candidate John McCain for our dick-in-mouth tribute.

Unholy Matrimony

In 1998 I married my wonderful wife, Kristy. I would like to read some of your newer issues, because the only ones I have date from 1997 and before. Could you send me a new issue of HUSTLER? I can never find the time to get away from my wife and buy a new copy. When I'm alone, she's in town with the car. We live way out in the sticks. I would really enjoy a new issue.

—Chris

Strafford, Missouri

In all honesty, your wife doesn't sound particularly wonderful.

Important Mission

I recently was placed on active military duty with the Army National Guard. I was made to report to a unit 600 miles from my home, and thus missed the holidays with my friends and family. I was then shipped to a base in

Georgia and restricted from leaving an enclosed area. Having done some time in the regular Army, I was proud to serve my country, but I wasn't about to go without my HUSTLER. A buddy of mine helped me acquire a vehicle and sneak off base to a gas station, where we bought February's issue. Not only was it an excellent issue, but it was also graced with an editorial by none other than Mr. Larry Flynt himself! Thanks for making this soldier and many others a whole lot happier.

—S.R.

Fort Stuart, Georgia

It's good to know that when America's military forces set out to do something truly important, they never fail.

More for Mia

I just got my new issue of HUSTLER, and I want to thank you for your pictorial of Mia (*Mia: Height of Perversity*, May). Nothing beats a gorgeous, dark-haired girl with a perfectly shaved snatch. My only complaints are that the pictorial is too short, and there aren't enough shots of Mia's

MIA: BACK BY REQUEST

mouth-watering asshole. In one photo there's scaffolding blocking her starfish. What's the deal?

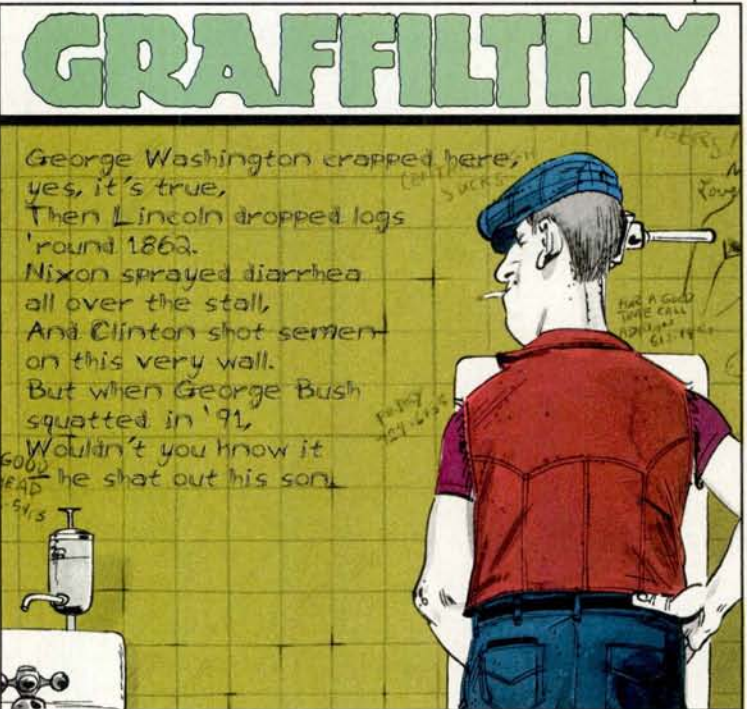

—T.B.

Tallahassee, Florida

We regret any anal omissions. Here's another view of Mia that we hope will tide you over until we bring her back in all her brown-eyed glory.

Fayner's Farewell

It was with a bit of regret that I read of Mr. Fayner's decision to give up fucking porn stars ("*Calling It Quits*," *Erotic Entertainment*, March). His

Thanks and \$50 go to Gus M.

"Having done time in the Army, I was proud to serve my country, but I wasn't about to go without my HUSTLER."

articles were always well-written, and came across as from an everyday man's view of the world. It gave the reader an inside view of experiences that we all dream about, but will probably never experience in the real world. With that being said, how do I apply for his position?
—R. F.
via Internet

Scott has already waffled on his pledge about porn stars, but the Editors hope they never have to see his filthy dick in the magazine again.

Aiming for Moore

I can't think of anyone more undeserving of a feature article in America's Magazine than that bloated, un-

American, impotent, shit-eating liberal, gun-control fag Michael Moore (*Michael Moore: Smart White Man*, April), except as a possible Asshole of the Month. At least I'm relieved that the next issue will include an interview with the G-Man, Gordon Liddy. He may be a convicted felon, but he is also a true

patriot who doesn't suck Bush's dick like so many of his conservative talk-show peers (Hannity, Limbaugh, etc.), nor does he suck Clinton's, like the Editors of HUSTLER have tended to do as of late.
—C. L.

Oakland, California

In the interest of free speech, HUSTLER presents many different viewpoints, sometimes even questionable ones like yours.

Straightened Out

Recently in Jeanna Fine's column, she couldn't offer a solution to the "Bending Boner" question (*Dear Slut*, May). It sounds as if the letter's author has Peyronie's disease, which is scar tissue that forms in the penis. Since that tissue doesn't stretch, it can prevent part of the penis from "inflating" properly during an erection, thus causing curvature. It's not uncommon after age 40. The writer of the letter should see a urologist about the condition. Surgery is considered a last resort, since incisions tend to cause more scar tissue, defeating the purpose, but there are drugs that can be injected or applied as ointments. Shock-wave treatment similar to what is used in treating kidney stones can also work. However, if the curvature isn't too extreme and doesn't cause any discomfort, or if his lady happens to like his new shape, he could decide to just live with it.
—G. M.

San Jose, California

Jeanna appreciates your information and encourages other readers to write in when they have knowledge that can supplement her wisdom.

ASSHOLE OF THE MONTH

America's Magazine seldom grants sphincterhood to the same crap hatch more than once, but we'll make an exception for Bill O'Reilly. The Fox News loudmouth first earned his crown of turds in March 2002, but it has since become apparent that O'Reilly is an extraordinary pile of shit, for whom one flush will not suffice. Consequently, Bill O'Reilly returns to this page as HUSTLER's Asshole of the Month for July 2003.

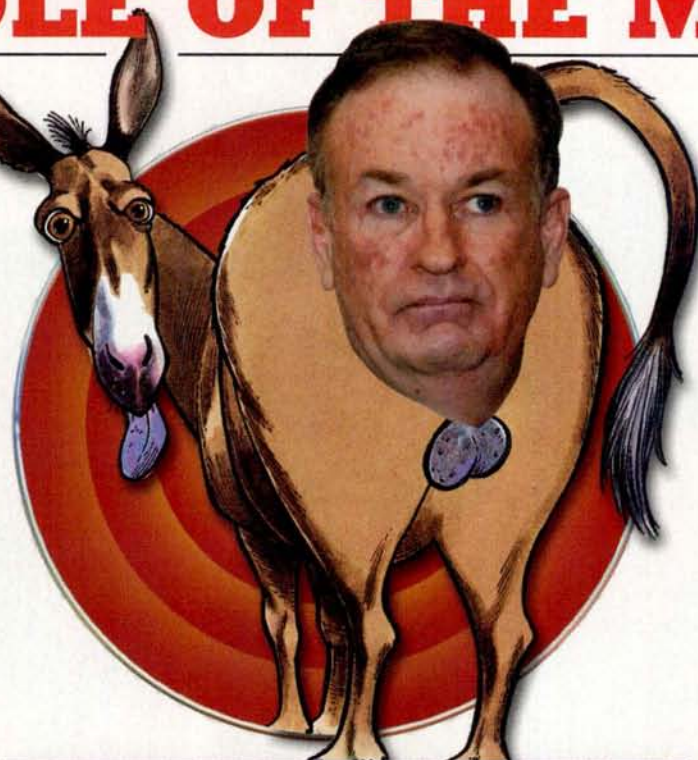

O'Reilly's shoutfest program, *The O'Reilly Factor*, is more like a pro-wrestling match than anything approaching valid journalism, but in his delusions Bill fancies himself a credible newsman. "The code of ethics is to tell the truth as you know it and not to distort anything or exclude anything," he theorizes.

Those are big words, coming from a man who makes Jerry Springer look like Edward R. Murrow. Bill's idea of journalism includes hurling the slur "Mexican wetbacks" during a segment on immigration and deriding his own guests as "weasels."

O'Reilly's gutter reportage reached its ugly nadir in February 2003, when he invited Jeremy Glick, an antiwar activist whose father had been killed in the World Trade Center attack, to appear on the *Factor*.

"I don't think your father would be approving of this," O'Reilly harangued, presuming to speak for a man he had never met and knew nothing about.

Ignoring the browbeating, Glick attempted to discuss the U.S. government's past support of the radical Islamic holy warriors who later

BILL O'REILLY

turned against us. O'Reilly, sensing a challenge to his jingoistic sensibilities, went ape-shit.

"I don't want to debate world politics with you," he snapped. "I don't really care what you think."

If that's the case, any sane person has to wonder why Glick was asked to appear on the show in the first place. O'Reilly, impervious to logic, bellowed on, yelping, "Shut up! Shut up!" at his guest. After ordering his crew to cut Glick's microphone, Bullshit Bill spat, "I'm not going to dress you down anymore, out of respect for your father."

O'Reilly didn't dress Glick down; he ducked the debate altogether, then masked his cowardice as reverence for the dead. Yet Bill has the

bold-faced audacity to claim that, on his show, "lies are rejected and equivocations are mocked."

O'Reilly's wavering beliefs are most glaring in his frequent puritanical crusades, which are invariably as ridiculous as they are boisterous. Positioning himself as the moral arbiter of America's soft-drink pitchmen, O'Reilly attacked Pepsi in mid-2002 for hiring rapper Ludacris as a spokesperson. Whining about the performer's off-color lyrics, Bill implored his viewers to stop drinking Pepsi until Ludacris was fired.

This campaign was in stark contrast to O'Reilly's usual stance on boycotts. Reacting to a recent boycott of radio blowhard Rush

Limbaugh, he posited, "Isn't trying to silence Rush Limbaugh un-American in itself?"

Called on his hypocrisy by a viewer shortly after, Bill claimed, "I simply said I wasn't going to drink Pepsi while that guy was on their payroll. No boycott was ever mentioned by me."

O'Reilly's exact words were, "I'm calling for all Americans to say, 'Hey, Pepsi, I'm not drinking your stuff.'" There's no more difference between making such a statement and launching a boycott than there is between O'Reilly himself and a festering, peanut-encrusted turd.

Mere weeks after practically calling the Limbaugh boycotters Commies, Bill was screeching about a Pony sneakers ad campaign featuring porn stars. "Pony has hired quasiprostitutes to market its products," huffed full-blown media whore O'Reilly. "I'm not going to buy anything Pony makes."

Nor should anyone else buy O'Reilly's bullshit. Among the XXX starlets in the Pony ads is Jenna Jameson, who, in addition to being interviewed by O'Reilly on *The Pulse* and the *Factor*, has been featured on Fox News' *Fox Magazine* and *Judith Regan Tonight*. These appearances were intended to boost ratings, just as the Pony campaign is intended to boost sales.

By O'Reilly's own standards, he should immediately sever all ties with his employer. HUSTLER won't hold its breath waiting for him to do the right thing, but we will pinch our noses to avoid the overpowering stench of Asshole Bill O'Reilly.

FARTS IN THE WIND

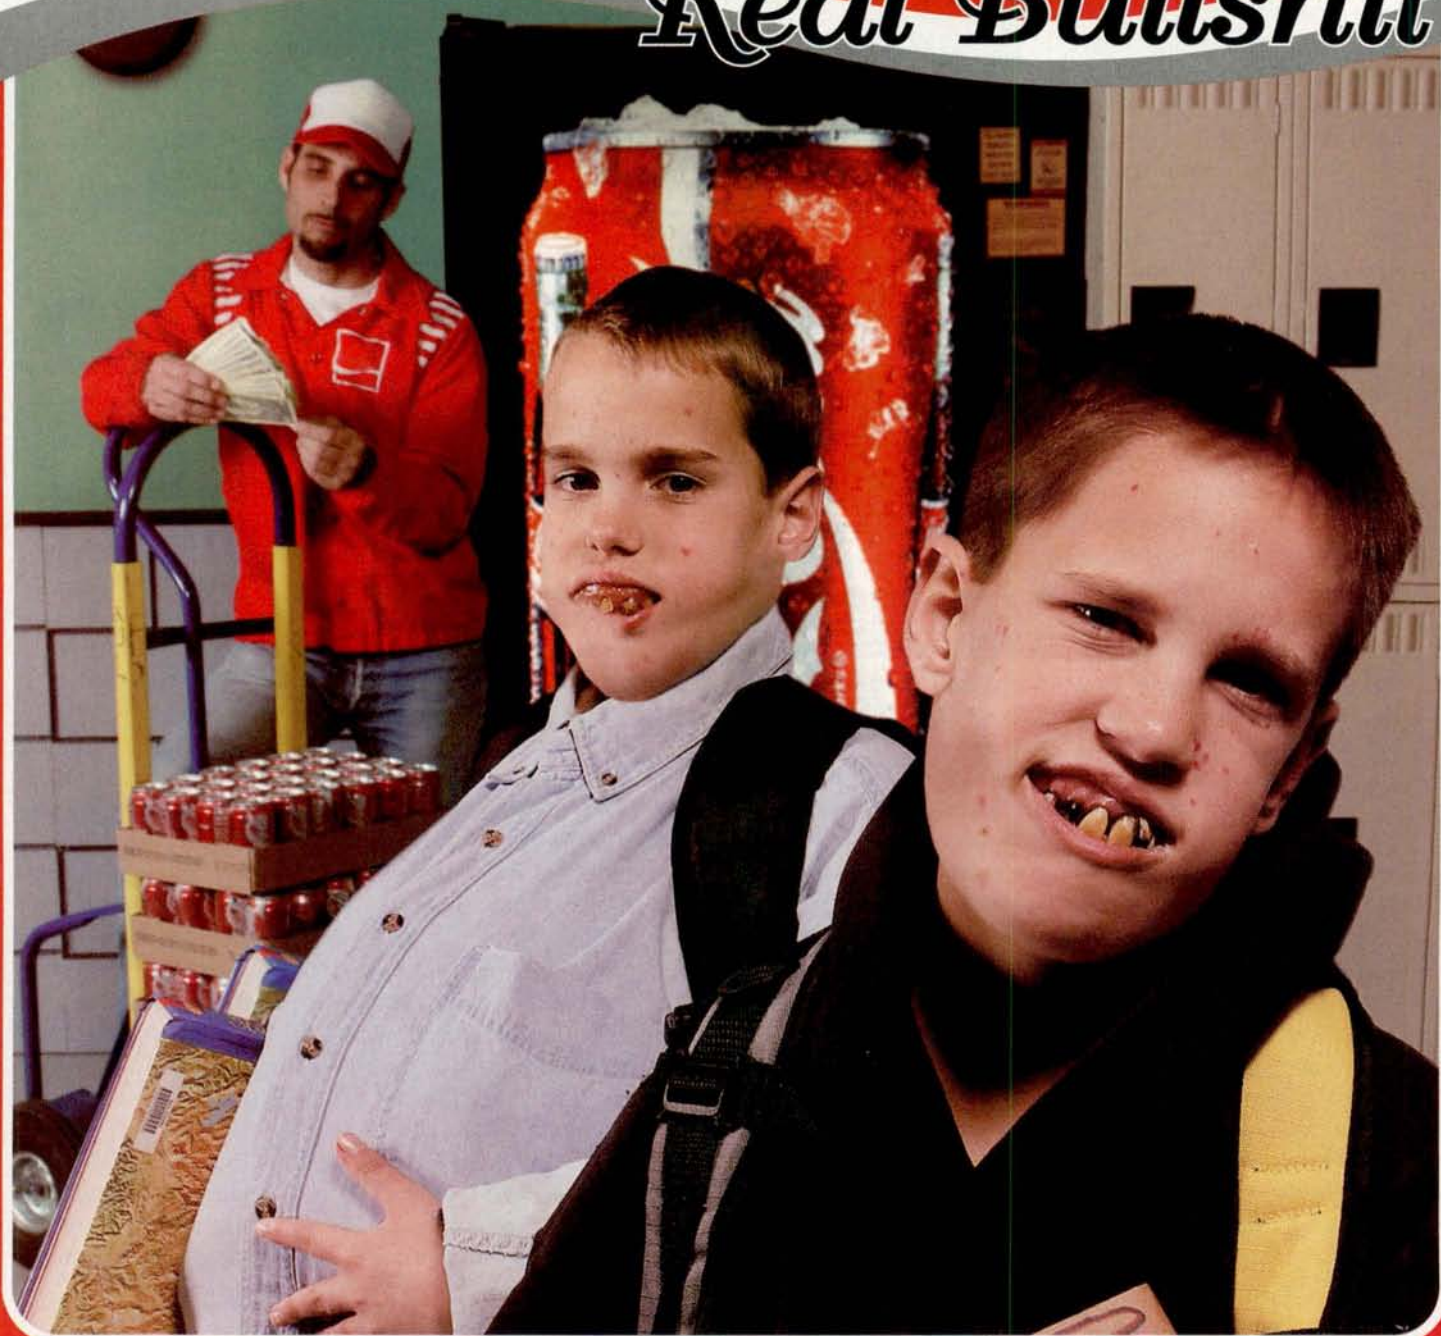

John Ashcroft: In his continuing quest to prove just how fucked up his priorities can be, Attorney General Ashcroft threw his weight behind a nationwide crack-down on head shops in February, handing down indictments against a total of 55 people. Too bad they weren't distributing anthrax instead of bongos; then the

Asshole never would have caught them. **Guilderland Police Department:** As if further proof is needed that America is becoming a fascist state, Guilderland police, responding to a complaint from an employee at Crossgates Mall in upstate New York, arrested shopper Stephen Downs for refusing to remove

his T-shirt. The top, which Downs purchased at the mall that day, allegedly violated policy prohibiting apparel that's "likely to provoke disturbances" because it bore the words "Give Peace a Chance." The boys in blue might as well have worn brownshirts, the perfect color for a bunch of Assholes. 🍌

Coca-Cola

Real Bullshit

Coca-Cola has partnered up with schools across the country to brand our future customers: your kids. We say we're raising money for education by placing Coke machines in schools, but the fact is we're capturing a whole new market. Some principals are even encouraging kids to drink Coke in class. We don't ask them to do it, but they know they have to meet sales quotas if they want us to cough up a few bucks for education. Some children may become dangerously obese, or lose a few teeth, but isn't that why we have fat farms and dentists? These people have to make a living too, you know. A child's health is a small price to pay to raise our profits. Sure, there will always be people who oppose pushing junk food to school kids, but penicillin had its critics too. Coke and education go together like cheating and finals.

There's No Such Thing as a Free Education.

Disclaimer: This is not a real Coke ad. This is social commentary protected by the First Amendment. A real Coke ad would never be so honest. For more information on the Coca-Cola Company, read *FAST FOOD NATION* by Eric Schlosser.

ART ATTACK!

This Month: *The Art of Lorenzo Sperlonga*

What It Is: A book of super-endowed nude girls!

What It's About: Painting after painting of naked and scantily clad fantasy babes in living color.

Why We Care: A talented artist whose artwork has appeared in *HUSTLER*, *Heavy Metal*, *Playboy* and *Penthouse*, Sperlonga is the Monet of melons, the Van Gogh of vaginas.

Buzz: It's rare when we pick brush-stroked broads over photos of real chicks, but Lorenzo's ladies make Pam Anderson look like Olive Oyl.

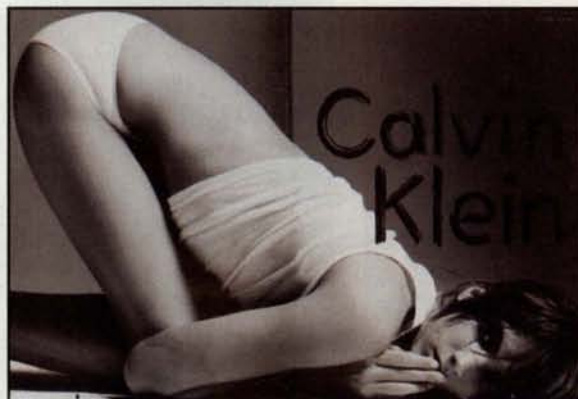

Downside: Lorenzo Sperlonga's book is not available in mainstream bookstores.

The Good News: You can purchase the tome at comic-book specialty shops or at his Web site: www.LorenzoSperlonga.com.

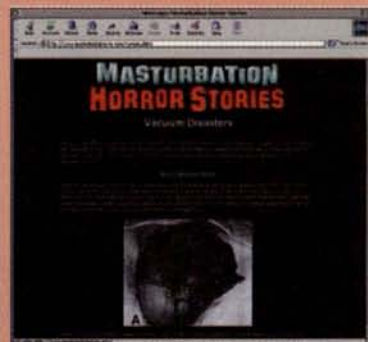

Bottom Line: Must-see T&A. Open your jar of Vaseline and settle in for a good time.

SOFT-CORE PORN OF THE MONTH

If you're not a regular reader of *Vogue*, you may have missed this Calvin Klein beauty sticking her sweet ass in the air. Fortunately, a lot of wives and girlfriends subscribe to this magazine, so there might be a copy laying around your house. Tell your girl you want to read the riveting article on "The Biology of Marriage," then go bone up on Self-Abuse 101.

WEB SITE OF THE MONTH STUPID COCK TRICKS

Ever wondered what would happen if you stuck your dick into a vacuum cleaner? Before you try it, make sure you check out www.MasturbationHorror.com, which documents masturbation disasters in graphic detail. There are also shudder-inducing tales of whack-off tragedies sent in by readers. Funny, horrific and informative, this Web site provides cautionary examples for anyone with a cock and a hand.

NEWSBITES

Cloning Ghandi: The Indian government is raising a stink worse than the Ganges River over a new MTV cartoon series, *Clone High USA*. The 'toon features contemporary cloned versions of historical figures such as Abe Lincoln, Joan of Arc and Ghandi. The Mahatma clone, whose name is "G-Man," wears earrings, eats junk food and ogles women's breasts. So is it the junk food or the earrings that bothers the Indian government?

Squirt First, and Ask Questions Later:

Before shipping out to another Bush-sponsored war in the Middle East, some soldiers are donating their splooge to sperm banks. The troops are worried they may return with fertility problems similar to those of servicemen who fought in the Persian Gulf War. Sadly, the Bush family did not become sterile after the Gulf War and continues to reproduce.

Two-For-One Dildos: Churchgoers in Stewartville, Minnesota, are mad as hell over a discount offered by a local porn shop. The store has erected a sign that reads, "No need to mail order. Gay videos in stock. Clergy discount. Have good sex. Hallelujah!" The Rev. Joseph Grimaldi was not amused and said, "I just hope I'm not too close when lightning strikes." But why would Rev. Grimaldi be close to the store? *Hmmm....*

What's Next, Mooning the Pope?:

Hemorrhoid sufferers in central Portugal don't waste their money on Preparation H. They head right for a local church, drop their pants and aim their asses at a statue of 13th-century holy man St. Goncalo, who supposedly has the power to cure piles. Hopefully the local Catholic priests won't take advantage of the faithful while they're getting "healed."

Drinking Age Raised to 77: In Wisconsin, a 76-year-old man was carded while trying to buy nonalcoholic beer at a local Pic 'n' Save. Robert Mariano, CEO of Pic 'n' Save's parent company, actually defended the carding: "People may not like it, but they understand what we are trying to do." Actually we don't. Perhaps Mr. Mariano should take a Breathalyzer test and get back to us.

WAL-MART ABORTS PREGNANT BARBIE

"Midge" is Barbie's best friend. She is happily married, has one child and is pregnant. But all hell broke loose when the expectant doll arrived at Wal-Mart. Ultraconservative shoppers complained that the piece of plastic would actually cause preteen girls to get knocked up. The retail giant quickly removed the offensive doll from the shelves, but continues to sell safe family items such as guns and ammo.

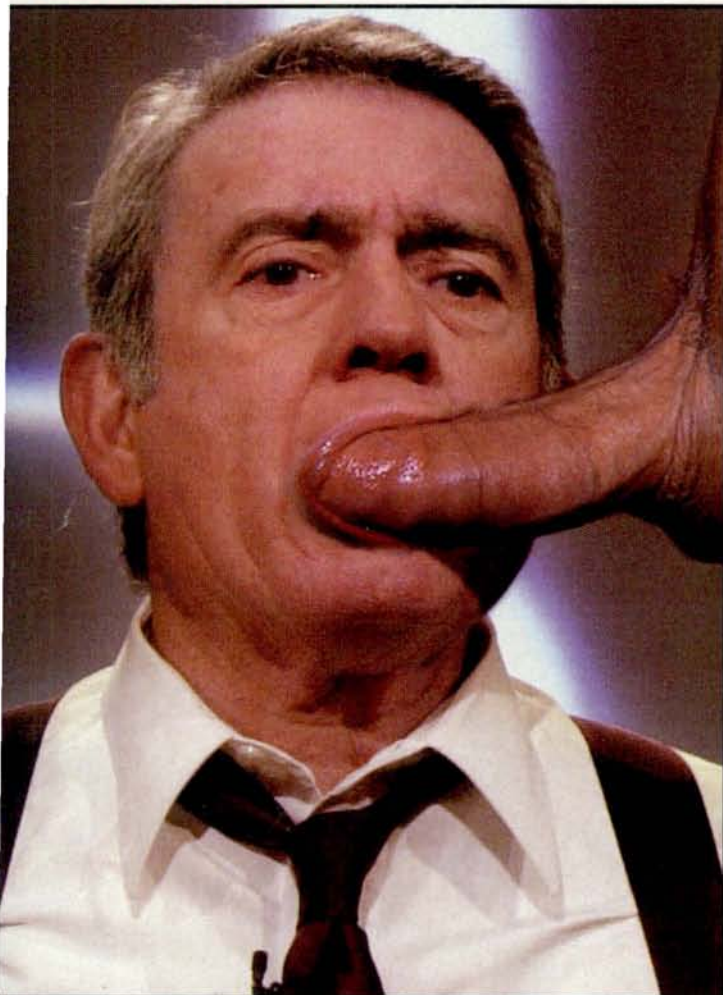

SLIM SHADY'S NEW LADY

We were a little worried about **Eminem** when he went back to his ex-wife and began acting like a respectable family man. Luckily, he restored our faith when he cast porn model **Gina Lynn** in his "Superman" music video. Gina told **HUSTLER** that she and Em have a steamy love scene together, which was shot twice, once with Lynn wearing a top, and again with her breasts as God (and her plastic surgeon) intended them to be. We don't know which version will be on Eminem's *8-Mile* DVD, but you can see more of Gina on her Web site, www.GinaLynn.com. She'll also be posing for a layout in an upcoming **HUSTLER**.

OUR MAN FLYNT

Columbia-Tri Star has finally released an updated DVD of *The People vs. Larry Flynt*. The movie chronicles our fearless leader's rise as the successful publisher of **HUSTLER**, the many court battles he fought on behalf of the First Amendment and his sweet victory over Jerry Falwell. This special-edition DVD includes scenes deleted from the theatrical release, a photo gallery, the original trailer and commentary by the stars: Woody Harrelson, Courtney Love and Edward Norton. Thought-provoking, outrageous and unforgettable, *The People vs. Larry Flynt* Special Edition DVD is a must-have for all **HUSTLER** readers.

CELEBRITY FANTASY

WHAT WOULD *Dan Rather* LOOK LIKE WITH A DICK IN HIS MOUTH?

We really have to wonder if CBS anchor **Dan Rather** is sucking some serious cock these days to keep his job. During coverage of the Columbia space shuttle tragedy, Dan took a call live on the air from a guy who claimed that white debris had landed on his property. When Dan asked him to describe the shuttle pieces, the prankster referred to the wreckage as "Baba Booeey's teeth." The Howard Stern catchphrase went right over Rather's head, and the veteran newsmen plowed forward with his next inane question. It wasn't until a CBS staffer alerted Rather that he was being duped that Mr. Shit-For-Brains got the joke, which was almost as funny as the fact Rather is still on the air.

Disclaimer: No such picture of Dan Rather exists. This is a social commentary on the lack of thought shown by some in the mainstream media, particularly overpaid network-television anchors during live news events. If Dan Rather had a dick in his mouth when he was being interviewed by Greg Palast on the BBC, he wouldn't have been able to admit that he's afraid to tell the American people the truth on his news show.

"MOST TASTELESS CARTOON"

"Happy birthday to you, happy birthday to you, I'm sorry I fucked your mom and had you 18 years ago, you cheap skanky whore, happy birthday to you!"

TYING THE KNOT

Sarah Kozer's reputation as a gold digger on the Fox series **Joe Millionaire** may be tarnished after news broke that the 29-year-old Lutheran has appeared in several bondage and fetish films such as *Novices in Knots*, *Hog Tied* and *Dirty Soled Dolls*, available from FM Concepts. Kozer claims she thought she was just modeling shoes and feet for coffee-table books, an excuse that even Evan Marriott, a/k/a Joe Millionaire, isn't dumb enough to buy. The only bad news is she isn't nude in any of the flicks.

QUEEFER MADNESS

Clearing the Air About Pussy Farts

BY JIM GOAD

When a woman's vagina ruins a tender moment with a loud, unexpected expulsion of cunt gas, what is the proper etiquette? Do you ignore it or try to console her, or do you immediately rise, get dressed, leave and never call her again? Perhaps it's best to reply with a friendly fart of your own.

Even if her twat belches only once, her slovenly vaginal eruption will always be in the back of your mind, forever destroying any hopes for total intimacy.

We're talking about pussy farts, gentlemen. Beaver burps. Muff music. The medical term, "vaginal flatulence," sounds like the name of a death-metal band. In England and Australia, where "fanny" is synonymous with "pussy," they call them "fanny farts." Still, others call them "varts," a contraction of "vagina" and "farts."

But the most popular slang term to

describe vaginal flatulence seems to be "queef." Some say the word is onomatopoeic and describes the sound the vagina makes when it unexpectedly expels air during sex—*queef!* Other armchair etymologists say the term is derived from a combination of "quim" and "whiff." Still other amateur linguists insist the word isn't "queef" at all, but rather "quiff." Or "queeb." Or "queever." Or "quiblet." But whatever you call it, at least call it "disgusting."

While various comedians have made sport of cunt farts, rare is the woman who finds genital flatulence funny. Since vaginal burping typically happens during moments of sexual rapture, the pussy fart is perhaps the single most disgusting and soul-destroying bodily function known to mankind.

Unfortunate human realities such as body odor and anal mishaps are the domain of both sexes; vaginal flatulence, like menstruation, belongs in a realm of disgust exclusive to the fairer sex. Both male and female genitals can be seen, touched, tasted and smelled, but only the vagina boldly ventures into the fifth sense, that of sound.

Flurpf! Fwomp! Blurp! Flap! "Thar she

blows!" A warm, wet, stinky blast from the vaginal steam hole. How charming. How dainty. How thoroughly ladylike. The next time a group of women start raggin' about how all men are disgusting, all you need to do is say two words: "pussy farts." The room will become silent. The women will either slink away in shame or attack you en masse.

The pussy fart is shrouded in disinformation and misunderstanding. This reporter could find no direct medical texts dealing with the topic of "vaginal flatulence." Surprisingly, scant literature exists on a subject acknowledged as so universal. Are doctors too embarrassed to write queefing articles for medical journals?

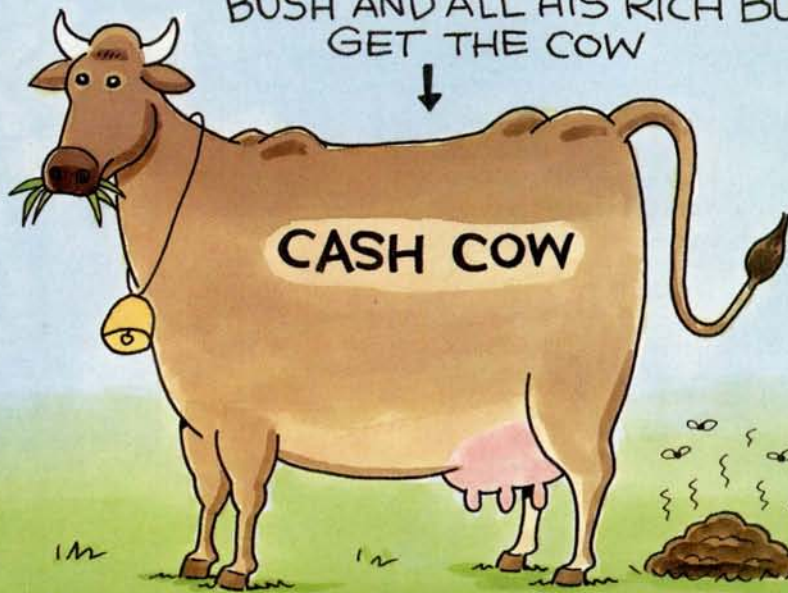

A physician friend likewise came up with no solid research but offered the following opinions: "I did a MedLine search on vaginal flatulence and found jack diddly. However, based on some personal reflection, it is most likely due to the architecture of the particular vagina. Firm vaginas allow for a tighter seal around the penis, letting less air penetrate into the vaginal vault when the pistonlike action of intercourse occurs. This forces air into, and then out of, the dead end of the vagina. It would follow, then, that loose vaginal muscles will allow queefing to occur."

A group of women on a post-hysterectomy BBS reported an increase in pussy-farting after their operations, which lends credence to the idea that a queef is caused by a loose vagina. The animal kingdom offers more evidence in favor of the loose-pussy theory of queefing: A phenomenon known as "wind-sucking"—basically, equine pussy-farting—occurs among female horses whose cunt caves have been rendered slack after

Jenna Tales

Adventures in the Skin Trade With Jenna Jameson

Showing off for the cameras with my friend Jill Kelly.

I'm really happy with how *My Plaything 2—It's a Boy!* came out. It's an interactive DVD I made with New Sensations. I've included a little taste of what you can see in the two-disc set in this month's column. You can make me naughty or nice, and I come at the push of a button. There's also a scorching girl/girl bonus scene with me and Carmen Luvana; so check it out, and be sure to tell me what you think.

Even during the brief times I'm not working on new videos, I still find myself under hot lights. *Entertainment Tonight* recently came by to do an extended segment at my new home in Scottsdale, Arizona, and sat down for an interview about everything that's going on in my life.

Doing that was fun, but I was less pleased when I heard that on his

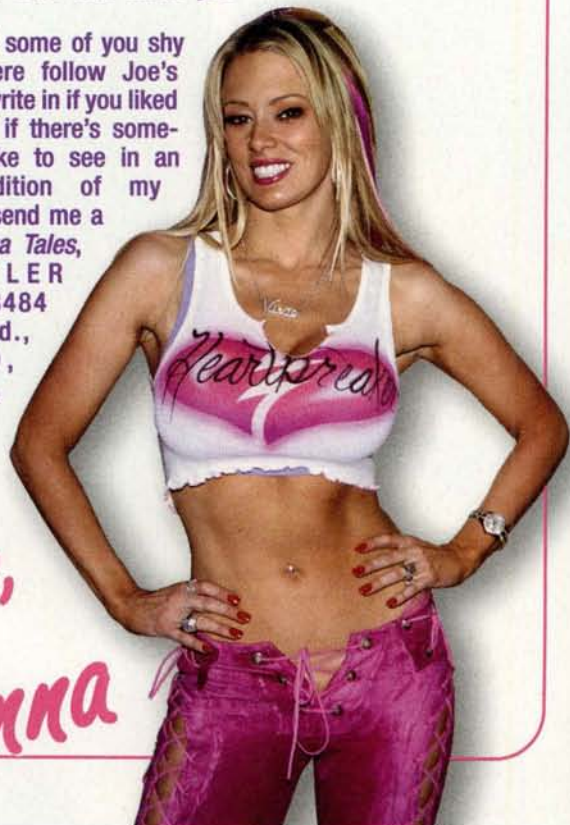

show, *The O'Reilly Factor*, Fox News Channel's Bill O'Reilly complained about an ad campaign for Pony shoes that features me and other Vivid girls. Bill claimed that Pony is "using quasiprosti- tutes" to sell sneakers. All I can say is, I get a kick out of Bill. He likes to hop up on the pulpit, waving a banner and trying to get

everyone to listen to his shtick, but this time he's hopping on the wrong stand. I hope that Bill understands the difference between a porn star and a hooker. I assume he has done some research on the subject matter, because he requested some of my videos after we finished taping my appearance on his program last summer. I imagine he wanted them for professional reasons, of course. Come on, Bill, lighten up! It's 2003. I'm sorry if I look sexy in the Pony ad. That's just how God made me.

I want to thank all of you for the great response I've been receiving for my appearances in *HUSTLER*. In one sweet letter, Joe from New Orleans wrote, "Jenna is quite beautiful in a classic goddess fashion. I desire to see her in a Catwoman motif, if at all possible. She looks superb in black latex. I will be waiting and watching." Thank you for the compliments, Joe. Keep reading *HUSTLER* and you'll see a lot more of me sporting hot new looks that I'm sure will make you very happy.

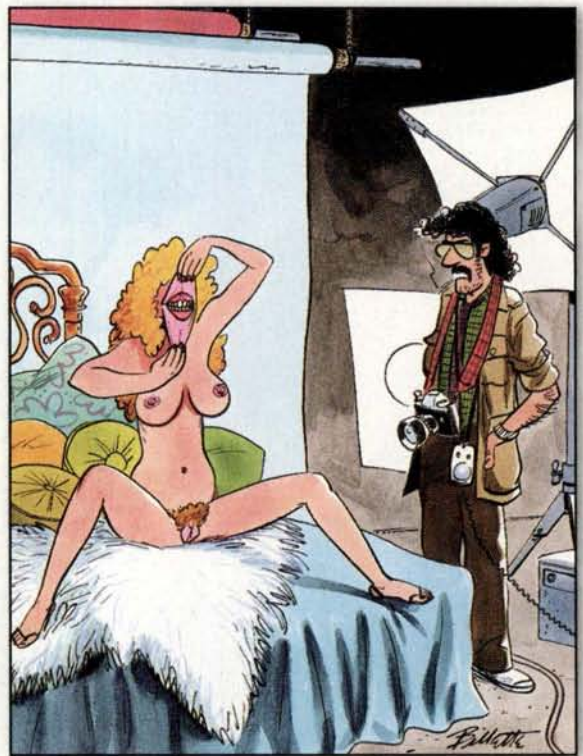

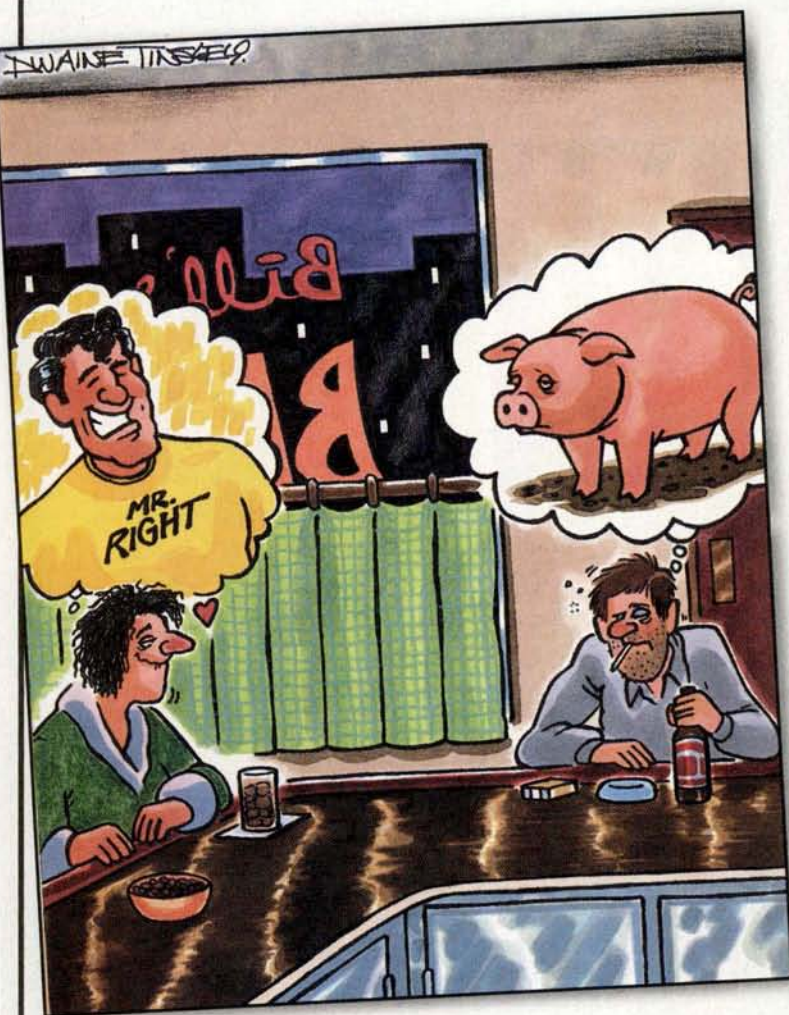

I hope that some of you shy types out there follow Joe's example and write in if you liked something, or if there's something you'd like to see in an upcoming edition of my column. Just send me a letter at Jenna Tales, c/o *HUSTLER* Magazine, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211. See you next time!

XoXo,
Jenna

BORED IN THE U.S.A.

By Sharon Bass

**The candid revelations
of three housewives and
one guy seeking fun and
excitement on live chat lines.**

Calls to LIVE chat lines are at EXPLOSIVE LEVELS from HOUSEWIVES looking for fun, and wanting to talk to guys (married or not) about anything and everything. We found three women and one guy who frequent a very popular chat line called **1-800-WIFE-CHAT** and asked them why they are turning to a phone line for sex. Not surprisingly, the answer to our questions seemed to lead down one common path each time - Uninhibited, Instantaneous SEX, anytime, anywhere.

It's Friday night, "Susan's" husband is away on a business trip and her pussy is dripping wet with no one to satisfy her. Does she reach for the vibrator again? No, first, she picks up the phone and calls **1-800-WIFE-CHAT** looking for a man that will make her come over and over again.

"I get so lonely. and bored. Weekends and evenings are so hard on me, so I fix it fast, by finding a horny guy on the chat line who's...**REALLY HARD** and ready for me!" exclaims "Susan". She continues, "Calling the chat line for no-holes-barred sex talk is a necessity, it's become part of my evening routine."

I GET SO BORED AND LONELY

"Stephanie" will be the first to tell you she has an insatiable need for sex. "My husband is

a great guy but he can't keep up with me." she says. "I call **1-800-WIFE-CHAT** about 4 times a week. It's free for me, and luckily, Daniel (husband) sort of looks the other way. It works for both of us, I get a different guy when I want and he gets to sleep through the night."

As "Stephanie" spins her wedding band around her finger she admits, "Just cuz I'm

"Stephanie", (married 5 yrs) in Florida admits, "The chat line feeds my continuous need for sex. My husband just can't keep up with me."

married doesn't mean I can't have sex chat with anonymous guys." she says. "It (being married) adds another level of excitement to calling the chat line."

UNINHIBITED. INSTANTANEOUS SEX. ANYTIME ANYWHERE!

"I'm a realtor so I'm always working. Scheduling sex with my husband just doesn't work for me. I've been calling the live chat lines for eight months." claims "Kim".

Spontaneous live chat sessions are common in "Kim's" hectic life as a Realtor. "When I want it, I want it NOW! I'm always on the phone so I can get away with it very easily."

"Kim" says she's made many new "friends" since calling **1-800-WIFE-CHAT**. "I actually met one guy for an innocent lunch which made our future calls with him even hotter. It seemed liked I was cheating....but I wasn't. Talk about having your cake and eating it too!"

100% REAL HOUSEWIVES

"Yeah, I was skeptical about the girls on chat lines." Says "Will" computer programmer by day, chat line stud by night.

"Turns out, **1-800-WIFE-CHAT** is the REAL deal, they're 100% real married chicks, no actresses like other chat lines. I was surprised by how many wives liked to talk sex for hours." Will exclaims. "Some of these chicks can't get enough of me. It only cost's me \$1.99 a minute and I get to fuck as many married women as I want!"

**No actresses
like other
chat lines.**

Warning - **1-800-WIFE-CHAT** (1-800-943-3242) is an adult community designed to connect Horny Men with Bored Housewives for explicit adult chat and is intended for people 18 or older only.

It's been months since
Veronica posed for this
steamy layout, and we
haven't seen hide nor
muff hair of the top-
heavy babe since.

HARD TO HOLD

V e r o n i c a

The day of the shoot,
Veronica dropped her
clothes and parted
her silken lips, and
that's the last we've
heard from her.

It's funny how much more appealing a girl becomes when she doesn't return your calls.

"Honey, you missed it! James Carville just bitch-slapped Tucker Carlson on Crossfire!"

Fuck Off and Die

Report by Mark Cromer and Michael Collins

Illustration by Stephen Kasner

HUSTLER explores the dark intersection of orgasms and the abyss.

As a crisp autumn sun rises over a playground in New York City's Central Park, another morning in the Big Apple kicks off with a macabre twist, quite literally. Dangling by his neck from one of the jungle gyms is a 57-year-old janitor, who police

discovered wearing a woman's wig, bra, a turquoise sleeveless blouse and nylon pantyhose. The deceased had a nine-inch carrot buried deep in his anus.

The man's final night on the town was complemented with Vaseline, lipstick,

vibrators and pornographic pictures found at the scene, according to a report aptly entitled "Swinging in the Park," published in the September 1985 issue of *The American Journal of Forensic Medicine and Pathology*.

The journal reported that the departed—

Wrapped to death: Evidence suggests that this self-mummified man died while masturbating, when his snorkel fell from his mouth during climax and he could no longer breathe.

who police later determined had been released from prison eight years earlier, following a 22-year stretch of hard time for rape—had accidentally killed himself in an “atypical case of auto-erotic asphyxiation.”

Apparently, the man had sought this ultimate thrill by suspending himself from the playground bars with two loops of rope around his thighs and chest. He wrapped another length of rope tightly around his neck. When he achieved climax, he most likely lost his footing and shortly after became an odd footnote in an obscure medical journal, as well as the stuff of sick legend around the precinct house.

Yet the accidental death of a pervert in the park casts a sliver of light into one of the darkest recesses of our culture’s sexual closet: the act of mixing sex and death.

Ecstasy and the abyss. The prim side of our culture would suggest that these are mutually exclusive engagements. But for a small minority of kinksters, the acts of creating and ending life can indeed passionately bridge each other, and the thrill of mixing the two is, in their eyes, the ultimate high.

Statistics vary wildly on auto-erotic asphyxiation fatalities. One report notes that at least 50 apparently accidental hangings occur in the United States every year, while other experts claim the figure to be pushing 1,000.

Of course, these people didn’t really want to die. Rather, they sought to combine the feeling that scuba divers and nitrous-oxide users experience—the rush that comes by limiting oxygen and increas-

ing carbon dioxide—with their masturbatory efforts. By applying slow but steady pressure to the neck, one can achieve that feeling and, supposedly, the ultimate climactic dance in the face of death. The French don’t call orgasms “the little death” for nothing.

Yet do the hanged actually enjoy their terminal spurt? Not if we are to believe one forensic psychiatrist, who writes, “Even if an executed man were conscious at the moment of erection and ejaculation, the typical tearing of the spinal cord from the brain stem would make it impossible for him to perceive its effects.”

Just why people are drawn to such a deadly thrill remains a matter of debate among some professionals. Psychiatrists from Krafft-Ebing and Freud onward have

A Note From He, Who Is About to Die

Perhaps the best way to understand the strange desire to beat off while cross-dressed and choking to death is from an actual practitioner of the perversion. Fortunately, a detailed suicide note was left by a particularly garrulous and self-aware bondage freak, and published in a report by the American Academy of Psychoanalysis in 1969:

“To all who are interested, please be tender when you cut me down. My panty girdles are fastened to my brassieres with safety pins. There are no hooks on the garter belts; so you will have to pull them off. I am going to stand on the telephone books on a chair and use 50 feet of rope, truss myself as tightly as possible. I’m putting one pair of panties in my mouth, pulling a nylon over my face, and placing two false rubber breast pads wet over my nose and mouth—two or three turns of the rope around my neck, over the bar, back around my neck, closing the closet door. I’m going to set fire to the hems of the slips and then bind my hands behind me, then I will kick the phone books away and madly await the end. My body is carefully perfumed and powdered. The nylon slip I stole from the clothesline zippers down and caresses me lovingly. Now I slip the taffeta dress over my head and pull it down over my body. The base makeup starts to change my face into a feminine softness, no sign of a beard. It takes ten minutes to put the lipstick on right. Now emerald rings, more jewelry. Now my blond wig transforms me into a woman completely. Now in utter passion I walk about the room, feeling the bite, pull, stretching of bras, garters, panties, all working me up to torture. Standing on a chair in the clothes closet, I screw two hook-eyes into the door molding. Next I tie the keys to three padlocks on a string and hang them on a clothes pole at eye level. I put a pair of panties in my mouth that have been soaked in water. Now I pull a stocking down over my head and secure it around my neck with a choker, replacing the wig. It certainly makes me look fiendish. I feel fiendish. Now I stand on the chair and deliberately and tightly padlock one end of the chain around my knees. The free end I will pull through one hook and pass it around my neck and snap the padlock shut under the wig. Now I pass the rest of the chain through the other hook down to my wrists. Because I am just experimenting this time, I only wrap the chain but do not padlock it here; reaching back, I pull the door closed and hear the lock snap. It is totally black and my blood pounds fiercely. Carefully I work my feet to the edge of the chair, and ever so slowly I let my feet slide off. The effect is thrilling. I can’t tell where the keys are. I can’t find the chair. I can’t call for help, and I’m hanging controlled. I can free my hands this time and pull myself up on the chair again. Standing there in the inky darkness I know my next move. Measuring very carefully, I make ready the open lock and the end of the chain. I stand on the very top of the chair. Now I strike a match, but I am so nervous it goes out. The next one will do the job though. Quivering with excitement, I just stand and swish the lovely skirts about my legs. I know what I am going to do next. I’m really terrified by sadistic thrill. It is 9:35 Sunday night, and in three minutes I will be dead.”

kicked around the eroticized self-hanging complex. Explanations range from fear of castration, with the neck representing an erect penis, to a type of self-punishment for harboring incestuous feelings. Other theories posit that the binding ropes symbolize the umbilical cord, and hanging represents a desire to return to the womb. Female garb found on the dead men completes the psychiatric portrayal of Oedipal longing. The theory concludes that this severe form of masturbation becomes a kind of symbolic homicide, resulting in a real death.

A deadly game of rope play or strangulation is perhaps the most common sex act that results in accidental death, but it is hardly the only way that people have offed themselves seeking a sexual thrill that touches the face of death. Through the years, medical journals, police reports and media accounts have captured bizarre snippets of fatal couplings, scattered incidents that hint at sexual escapades that didn't end until someone was dead.

In the late 1970s, an enterprising young couple apparently wanted to put a little spark in their love life. The 39-year-old male rigged up two metal rods—22cm and 18cm long—with wires attached to a voltage

regulator capable of churning out up to 130 volts.

A conservative kind of guy, the man set the homemade, electrified dildos to a humming 90 volts. He grabbed a handful of lubricating cream from the jar next to the bed and greased up the rods. His 31-year-old lady spread her comely hams wide, and he inserted one charged wand into her ass. He repeated the process on himself with the second electrified rod.

The fatal moment occurred when they began intercourse, as the electric current generated by the rods arced through both lovers, literally frying them during coitus.

Self-mummification is another twisted kick for some people, with a few documented cases that went terribly wrong.

A 60-year-old Swedish man who failed to show up for work was later discovered by police in his apartment, wrapped in 14 different blankets that had been sewn together into one giant wrap. The corpse was found deep inside, wearing two pairs of hotpants, a pair of long johns, socks and a vest. His penis had been wrapped in a bag. Police later determined that he had been diagnosed as schizophrenic, yet was well-educated and had worked as a

This transvestite/auto-erotic asphyxiation fatality suffocated to death while suspended by braided rope, with a nine-inch carrot jammed up his ass.

teacher. Police also discovered a “secret room” in the man’s apartment which housed more than 60 blankets.

In a plastic American twist to that Scandinavian death, a 34-year-old security guard in New Orleans was discovered by a colleague, wrapped head-to-toe in a material similar to the plastic that dry cleaners use to wrap clothing. The dead man had been breathing through a snorkel that poked through the top of the mummy wrap, but police investigators speculate that the breathing device dislodged from his mouth at the point of climax and he suffocated.

Unfortunately, with cultural appetites growing exponentially for ever greater extremes in all aspects of our lives, ever new and thrilling highs, it is clear that, for some, the dark attraction of death beckons as the final sexual frontier to be explored.

Yet maybe it was only a matter of time before a Media Age that gave us “suicide bombers” would invariably produce growing ranks of prolific “suicide fuckers.”

The only thing missing now is network “team coverage.”

And you know you will watch it.

Sex and Death in Literature

Flirting with death while fucking has long been a favorite subject of some writers. Here are but a few examples:

Georges Bataille's *Story of the Eye*:

Literary provocateur Bataille's dark opus, first published in 1928, remains an epic of perversion that unflinchingly blends sex and death. The wicked tale culminates in a female hedonist named Simone fucking a priest as she slowly strangles him. In 1967, Bataille's outline for the sequel to *Story of the Eye* was published, detailing how Simone is herself beaten to death in a concentration camp. As Bataille noted: “She dies as though making love.”

William S. Burroughs's *Naked Lunch*:

This classic 1959 novel, which prompted an obscenity trial, features auto-erotically asphyxiated youths, hanging with their cocks spurting cum.

Marquis de Sade's *Justine*:

The character of Roland gives the following instructions to Therese: “I’ll excite myself for a moment, then, as soon as you see things assume a certain consistency, you’ll jerk the stool free and I’ll remain hanging; you’ll leave me there until you either discern my semen’s emission or symptoms of death’s throes; in the latter case, you’ll cut me down at once; in the other, you’ll allow Nature to take her course, and you’ll not detach me until afterward.”

Ian McEwan's *The Comfort of Strangers*:

McEwan's surreal novel climaxes with the enigmatic Robert and Caroline making love with stranded vacationer Colin as they kill him.

J.G. Ballard's *Crash*:

Nearly every page of Ballard's classic novel features blood, semen and auto parts. Although not included in director David Cronenberg's 1996 film version, the original book describes car-crash fetishist Vaughan's ultimate goal as dying upon impact after crashing into Elizabeth Taylor's limousine, colliding in such a way that he and the actress both orgasm as they die.

Jeanna Fine Tells the Fucking Truth

Hard to Swallow

I want my wife to deep-throat me, but she insists she can't. She says that she chokes and gags when she tries. Are there any suggestions you can give her on how to deep-throat? Also, she won't let me blow my load in her face. Please help.

—C.O.
via Internet

As long as girth is not the issue, deep-throating can be learned. But remember that each penis has a different shape and curvature. It could be that the position you're having oral sex in is causing the problem. If wifey can't manage to swallow your pud while on her knees with you standing in front of her, I recommend trying a reverse-cowgirl method where she sits on your face. As far as shooting your load in her face goes, it sounds like she has a few issues regarding oral sex, so go slowly.

Bi Bye?

I am a sexually frustrated, 28-year-old male. I'm in a ten-year relationship with a fine woman, but lately I've been bicurious. I really want to try the other side, but I don't want to upset my girlfriend. Could you suggest a way to cure my bisexual needs while preserving my relationship?

—S.F.
Leesville, Louisiana

I can't and wouldn't suggest a way to "cure" you, if what you're saying is that you want to rid yourself of the desire. However,

if you're simply curious, you could watch bisexual porn in private. Should you decide that switch-hitting is going to be a part of who you are, you'll have to talk about it with your woman. If she seems unsure, ease her into the idea. You could pop in a movie and have sex while watching it, making suggestions such as, "I really enjoy the idea of you watching me do that."

Under Pressure

My girlfriend is kind of heavy. During sex, when I'm on top or doing it doggy-style, we never have problems. But when she gets on top of me, I go soft. Aside from my own frustration, when I lose my hard-on, my girlfriend gets upset and asks me if I'm not attracted to her because she's not thin. What should I do?

—A.S.
Tampa, Florida

Try facing the fact that her being on top is just not a great position for the two of you. If you want to find some unusual options, you can pick up a copy of the Kama Sutra, but there's no rule that says you have to do a certain position.

Not Fare

I thought I lucked out when a beautiful woman talked me up at a bar in downtown NYC. She suggested going back to her place. We caught a cab and fooled around while heading to the uptown address she gave the driver. When we were almost there, the cab stopped at a red light. She bolted out of the car and ran down a side street, sticking me with the fare. Her address was obviously bogus. The experience made me gun-shy about meeting women. Can you help me?

Getting burned by one devious cunt shouldn't chill you to the entire female population. Take the experience as a cue to be more alert in the future, but staying bitter just seems childish.

The Fleeing of the Planet

Vijay Prashad on Big Business's Global Power Grab

Interview by Bruce David and Dan Kapelovitz
Photography by Peter Gorman

THE STOCK REALITY: VIJAY PRASHAD OFFERS
CUTTING COMMENTARY ON CORPORATE GREED.

According to Vijay Prashad's book, *Fat Cats and Running Dogs*, the mainstream media missed the real Enron scandal: that they were one of many megacorporations who, backed by our well-armed government, force countries around the globe to sell them public utilities at a fraction of their worth. Now the corporate plunderers have their sights set on the U.S. In an exclusive HUSTLER interview, Prashad warns of the Enronization of America.

According to Vijay Prashad, the Director of International Studies at Trinity College, corporations no longer need to buy our politicians with campaign contributions, because they have already infiltrated the highest levels of public office.

In his latest book, *Fat Cats and Running Dogs: The Enron Stage of Capitalism* (Common Courage Press), Prashad details how global corporate entities use their pals in government to blackmail Third World countries into selling off their public utilities for cheap.

If Americans think they are safe from the corporate takeover of their lives, they better think again. Enron may have collapsed, but equally greedy and irresponsible companies currently have their sights set on the United States' resources. If the Enronization of the world is allowed to continue, we may soon be buying the air we breathe from a megacorporation.

HUSTLER: Tell us about your book.

PRASHAD: The book is about what Enron did around the world, how Enron used public funds to buy up what were, at one time, state-owned utilities, and how Enron won both ways. On the one hand, they didn't have to use any of their own money to buy up things like the water supply in Britain. They used public funds. And on the other side, they ran them on the cheap and tried to extract profits off the backs of ordinary human beings.

HUSTLER: Aren't similar deals being made worldwide by other companies?

PRASHAD: Absolutely. From the 1970s, many big companies discovered that the areas for profit-taking in conventional industry had begun to decline. It had become less profitable to go into, say, steel manufacturing. If you really want to demonstrate every [financial] quarter that you're doing excellently, you need to carve out some new area of the economy to make massive profits. They called it the new economy, but actually, it was areas of economic life that previously state and federal governments had held in trust to provide services for ordinary people—for instance, water delivery, electricity delivery, things we might consider basic services of a civilized society. Big corporations discovered that this was a perfect area for them to enter, because there was this mania for privatiza-

tion. If a company buys the electrical utilities in Argentina, not only do you buy a company, but you also buy thousands of miles of electrical wires, which have been put up at state cost, at taxpayer cost, now given to you at extremely low prices.

HUSTLER: How did Enron and similar companies make these purchases using taxpayers' money?

PRASHAD: This is the biggest scandal of them all, and has really received almost no press coverage. There are several banks around the world, including in the United States, that finance what we might consider to be large purchases of public utilities. In

“Enron got \$3.68 billion from U.S. taxpayers to buy up public utilities around the world.”

the United States, we have a bank called the Export-Import Bank, which is funded by the U.S. Congress—in other words, by our tax money. The exact figure that Enron got was \$3.68 billion from taxpayers to conduct these shenanigans around the world. That's just American money. So why are they telling the rest of us, “You don't deserve handouts”?

HUSTLER: Meanwhile, they're getting huge amounts of what is, in effect, welfare.

PRASHAD: Generally, we think of corporate welfare as being a tax write-off to big companies. Actually, the government was underwriting investments by firms like Enron, and the way Enron did this was very clever. Obviously, they lobbied the federal government; that's one thing. However, we delude ourselves when we believe that gov-

ernment is a neutral actor, that government is like the umpire between big corporations and the people. It's not even like Enron bought off people in government. In actual fact, the people in government are exactly the same people who are in companies like Enron, and in a way, when they lent money to people like Enron, they didn't do it in bad faith. They did it thinking, *This is how we want the world to work*, and they lent our money to them.

HUSTLER: Aren't there a lot of people who worked for Enron and then became part of the government?

PRASHAD: Oh, enormous. The obvious person, of course, is the Secretary of the United States Army, Thomas White, a senior Enron executive. In the book, I go through lists of people who were in both the Bush Administration and in Enron. Of course, the Bush family is a subsidiary of Enron Incorporated.

HUSTLER: How do you mean?

PRASHAD: All members of the Bush family benefited from Enron's largesse not only through campaign contributions, but also through very interesting deals that benefited individual Bush family members through what had to be considered insider trading, even though government regulators decided to let them off the hook. The most important case is with the current President and his company called Spectrum 7. George W. Bush, whatever one might think of him, you have to admit that his business sense is minimal. Here's a man who was a member of the board of a company called Spectrum 7. In 1986, when Spectrum 7 and [scandal-tainted energy company] Harken merged, suddenly Harken's standing had risen because they had the Vice President's son on board. Very shortly after they merged, Enron announced that there was a well north of Midland, Texas, which was starting to produce natural gas. That helped raise Spectrum 7's standing, because it had been

in partnership with Enron for that well. The second thing that happened, in 1990, just as the pressure in the Gulf had started to rise—this is before the Iraq invasion of Kuwait—there was a real turmoil in the Gulf over the price of oil. This is one of the reasons why Saddam Hussein invaded Kuwait. The different countries were fighting with each other about who was producing too much, etc. Just at this time, the small state of Bahrain gave Harken off-

fund George W. Bush's political career. When George W. decides to run for governor of Texas, one of his biggest backers is Ken Lay from Enron. Of course, it's no surprise. They're friends, Enron's based in Houston; George Bush has fashioned himself as a Texan. Then Enron and Ken Lay continued to support George Bush in his [gubernatorial] reelection, and then finally in the Presidential campaign. So much so that Ken Lay also gave money for

lems there. What's totally fascinating is that Enron goes in there saying, "We're going to solve all the problems. We'll bring Yankee ingenuity. We'll deliver it cheaper, because, after all, private firms are able to do things without corruption, etc." This is the promise, and they failed drastically. They weren't even able to deal with the normal problems of water delivery. This is where you have to think twice about privatizing something like water, where it requires the

"Enron essentially destroyed California's ability to deliver of terrorism, which we shouldn't

shore drilling rights. This was unheard of. This was a firm that had never done offshore drilling.

HUSTLER: How is Enron involved in all of this?

PRASHAD: The first big money that was made for Harken was in alliance with Enron. This connection with Enron was cemented at that time. This is the first business connection we find between Ken Lay and George W. Bush.

HUSTLER: Why has this been virtually ignored by the press?

PRASHAD: You tell me. This is in the public domain; it should be no secret to anybody. It's after that that Ken Lay starts to

the recount effort in Florida. Then we get the scandal of who was consulted by Dick Cheney over the energy policy. As far as the released documents show from Dick Cheney, Ken Lay and his people played an enormous role in fashioning U.S. energy policy, from the beginning of 2001 right until the [Enron] scandal broke in October 2001.

HUSTLER: Did Enron buy up water rights in Argentina?

PRASHAD: In Argentina, there was a scandal, because it turned out that the water was coming in infected. There was a breakout of disease. You cannot fully pin it on Enron; there might have been other prob-

capacity of a state to ensure that the very least you get for your low rates is clean water. The American firm Bechtel, who is Enron's partner in the oil world of Colombia, got into the [water-privatization] scandal in Cochabamba in Bolivia. The people actually rioted in the streets. There was a massive demonstration in the town of Cochabamba, and Bechtel had to flee. It was almost like a revolution against Bechtel.

HUSTLER: Is that the place where they made it illegal to collect rain water?

PRASHAD: Yeah, exactly. One has to remember that Bolivia has a tradition of being under a military dictatorship.

Through the process of democratization, eventually, there was an election. And it turned out that the old dictator, [Hugo] Banzer, won the election and came back to power. One of the things that people like Banzer said they'd do is create a better economic condition for big companies. They started to privatize facilities; they privatized the water supply. Various companies bid for it, and Bechtel and its consortium won. And they won with a deal which we'll never

Andersen. That stuff is nickel-and-dime. If we think that's the story, then we're in for a huge shock. The real scandal is the attack on the commons, and that has received almost no attention.

HUSTLER: Basically, you're saying the privatization of the commons is the worst part of it, and that the more egregious aspects of it began in Third World countries.

PRASHAD: Absolutely. And it's being imported now into the United States and

Woman of Enron

FROM HARD SALES TO SOFT-CORE PORN

After Enron collapsed, a few lucky ladies were able to cash in on their bodies. Always happy to exploit the misery of others, *Playboy* paid out-of-work Enron employees to bare some skin. (HUSTLER would have at least given its readers pink.) We caught up with Janine Howard, an ex-Enron-worker-turned-nude-model, at the 2003 AVN awards.

HUSTLER: What was your job at Enron?

HOWARD: I sold deregulated energy for Enron.

HUSTLER: Are you angered by what Enron did to other countries?

HOWARD: California especially—let alone other countries. It was devastating to them; however, it was more devastating to us in Houston.

HUSTLER: Did you lose your retirement savings?

HOWARD: I became a licensed insurance agent back in 1988; so I knew better not to invest all of my funds into one stock.

HUSTLER: How much did *Playboy* pay you to pose nude?

HOWARD: Lots of money, and they asked us not to reveal how much; however, it pretty much made up for the two months' worth of commissions that I lost from October and November, when they shut us down.

HUSTLER: Were you aware of any of Enron's accounting shenanigans?

HOWARD: No, and I was really shocked to see the movie that just came out, *The Crooked E*. I thought Dynegy, which is another Houston-based energy company, was going to take us over. That's what we were praying for. Then November 28th hit, and Wall Street said, "You're out of here," and they shut us down.

HUSTLER: Did Enron really have the party atmosphere that everyone talks about?

HOWARD: Apparently. I was in outside sales; so I had a satellite office. However, that's what I understand. They spent a lot of money out partying, driving fast cars.

HUSTLER: Are you happy to be in the porn world now instead of Enron?

HOWARD: No, I crave to sell deregulated energy for Enron. I had a great boss; I made great money; everybody called me back. When you'd be on the phone, making cold calls, all you'd have to do was say, "Hi, this is Janine with Enron," and they'd call you back.

PHOTO BY GIDDLE PARTRIDGE

electricity to its people. That's a form underestimate."

see. When firms like this conduct a deal with governments, they don't want us to see what the deal is. I'd bet you that one of the pieces of fine print was that the government was going to lean on the citizenry to ensure that people didn't do things like collect rain water, or use other forms of water supply. Jim Schultz of the Democracy Center calculated that Bechtel was charging the people of Cochabamba in Bolivia more for their water than the people in the suburbs of Washington, D.C. It was an enormous crime that they were able to get away with this. At this point, there was essentially an uprising in Bolivia. Eventually Bechtel had to pull out.

HUSTLER: Isn't Bechtel suing through the WTO for damages of lost revenues as a result of that deal going south?

PRASHAD: Yes. This has become a common feature around the world. UPS has a suit against the government of Canada, the postal service, for lost business that UPS might have had, had there not been a monopoly in Canada for next-day services.

HUSTLER: That's likely to happen here in the United States, isn't it? Publishers could have a suit against libraries for lost revenues that might have been made had their books been sold.

PRASHAD: Libraries are another form of the commons. They buy books, but they hold them in commons for those of us who may not be able to buy every damn book that's published; so we go to the local library, and we check it out for free. We read it over a week and return it, [and] somebody else borrows it. Random House says, "Look, there are 500 people who've checked out this book that we published. Therefore you have to pay us 500 times the cover price." That's the kind of logic that Enron brought forward for economic relations in the world. That's why I took Enron and said, "My God, this is much more than just one firm." It's much more than Arthur

Europe. They're considering privatizing the water supply in New Orleans. I weep for the people of New Orleans. In 2000, when the power supplies, the rolling blackouts and such happened in California, I was on the phone with some friends in Latin America, and they were saying, "I don't see why they are getting so upset in California; Enron has been doing this to us for years." California was the first major Enron-like attack on the United States.

HUSTLER: This is being done by capitalist enterprises in collusion with their lackeys in the government.

PRASHAD: That's right. If people think that it's all about Enron, I'll give them the example of Boeing. Boeing received the most federal dollars for its investments overseas: \$100 billion—your tax money, my tax money—last year. Far more than the U.S. government gives out in food, disaster and international aid.

HUSTLER: And that was for overseas investment?

PRASHAD: "International trade assistance" is what it's called. That's the formal buzz word. In other words, the United States government will give money to some country, saying, "We're giving you money to upgrade your air-lines. Now, you need to buy aircraft from Boeing with this money." So it's a backdoor subsidy.

HUSTLER: When those contracts came up for the water supply, didn't the U.S. pressure one of those governments to give the deal to Enron, even though Enron's bid was so low as to be ridiculous?

PRASHAD: Yeah, it was

Argentina. Their bid was embarrassingly low, but nonetheless there were phone calls, apparently, as far as the Argentineans have said, that came from George W. Bush, then the son of the Vice President. [He] called up the people in Argentina and said, "You have to support my friend Ken Lay and his firm." In Mozambique, the National Security Advisor, Anthony Lake, and his people essentially told the government of Mozambique, "If you don't give Enron the contract for a natural-gas pipeline to South Africa, we're going to cut aid to you." And Mozambique is a country where the budget, essentially, is balanced through U.S. Government assistance. Without the U.S. aid, Mozambique would be in terrible default.

HUSTLER: So they were blackmailed into giving the deal to Enron, even though the deal made no sense for them?

PRASHAD: That's right. For Mozambique, it was a terrible situation, because the United States government gives a little more than \$13 million a year in aid to them. If they couldn't get that aid, the country would have been in default. It was blackmail, but some people might say, "Look, if we give you money, we deserve something for it." But here's the differ-

ence: It's the United States government and the United States taxpayer who gives aid to Mozambique, and the profits are being recouped by a private firm. People often get blinded when they think, *Okay, we're doing something for Mozambique; they should do something for us.* But they're not doing anything for me. They're doing something for Lay and his buddies, and that's a crucial difference.

HUSTLER: What does this mean for the future of the United States?

PRASHAD: The real tragedy is that you and I are going to pick up the tab for this in many more ways than we recognize. We'll be the targets of resentment, anger, frustration [and] failure overseas. The underside of this is terrorist attacks. We're getting the terrorist attacks on two sides. You get the reckless terrorism of firms like Enron when they essentially destroy California's ability to deliver electricity to its people. That's a form of terrorism, which we shouldn't underestimate. They're going to have to live and deal with the problems that Enron created for electricity delivery in California for years to come. That's a form of everyday harassment.

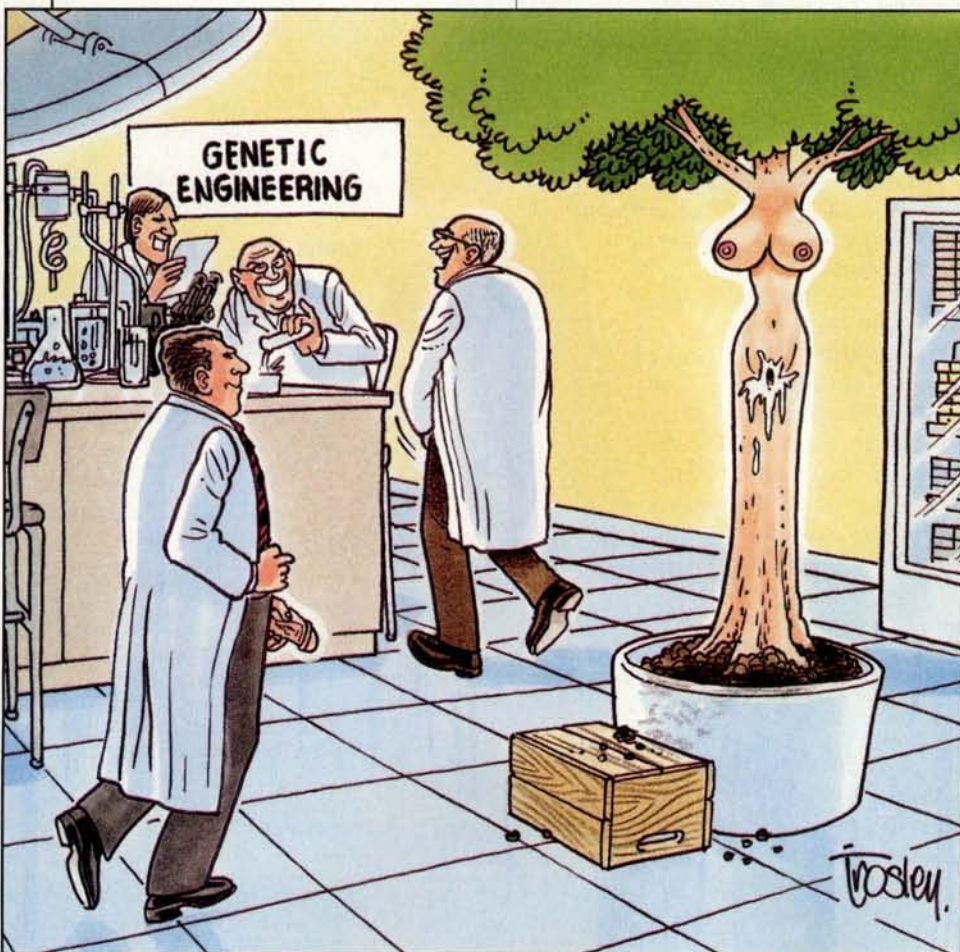

HUSTLER: In your book, you mention

how Vice President Cheney used 9/11 to hide from the scandals.

PRASHAD: He literally hid. He went into a cave. Cheney, I believe, not only went underground because Enron blew up, but Halliburton [of which Cheney was the Chairman and CEO] was within days of also blowing up. And two wonderful things happened [for Halliburton], which were reported parenthetically in the *Wall Street Journal*, but were not really picked up as cover stories. One thing that happened is, in the middle of Halliburton's lies [the company's shareholders are suing Cheney and Halliburton's directors for alleged fraudulent accounting practices], one of the things that was hanging over it was an asbestos lawsuit. And George Bush signed an executive order that loosened the regulations on asbestos. Secondly, Halliburton got an amazing Pentagon contract to build forward bases in Central Asia for the war in Afghanistan. We don't know the details of how much money, what the size of the contract was, but it appears that this infusion of funds enabled Halliburton to not go into financial meltdown just when Enron was doing so. So not only did Cheney go underground because of Enron, but I would argue that there was also the Halliburton story. That he was not around meant the media didn't even raise that story from the back pages to the front, where it should be.

HUSTLER: Are there any companies around now that will be the future Enrons?

PRASHAD: We, of course, have WorldCom. I'm looking forward to the day when Bechtel collapses. The oil companies will not do an Enron, because they actually own substantial assets, unlike Enron, which was largely not an asset-heavy firm. Every airline seems to be doing some kind of collapse. But really, to "do an Enron" isn't just to go bankrupt. To do an Enron is to devastate sections of the globe. And then your bankruptcy is less relevant than the impact you've had on the world. Enron really may have disappeared, but its personnel are now just in other firms, doing the same kind of thing as they were before. Very few firms have had the singular devastating impact that Enron had. I would say that, if a company was to go under like Enron, it would have to be something like, say, Coca-Cola, which is now buying up lakes in places like India, water sources in places around the world, for its bottling plants. So that people in a town called Maharashtra in India, who used to use their local lake, have no access to it now because Coca-Cola owns it. Coca-Cola, in a way, is the new Enron. ☹

Question: Did you hear about the worst blowjob ever?

Answer: It was great.

A woman walked into a bar and saw a cowboy with his feet propped up on a table. He had the biggest feet she had ever seen.

"Is it true what they say about men with big feet?" she asked.

"It sure is," said the cowboy. "Come back to my place, and I'll prove it."

Eager to get a look at the cattleman's huge cock, she gladly agreed to spend the night with him. The next morning she handed him a \$100 bill.

Blushing, the cowboy stammered, "Ain't nobody ever paid me for my services before. I'm very flattered."

"Well, don't be," the woman replied. "Take this money and buy yourself some boots that fit."

A priest and a rabbi were walking down the street when they spotted a young boy.

"Let's screw him," said the priest.

The rabbi asked, "Out of what?"

A man and a woman were sitting next to each other in the first-class section of a plane when the woman sneezed, gently wiped her nose with a tissue and shuddered violently in her seat.

The man thought it was unusual, but continued reading his paper. A couple of minutes later, the woman grabbed another tissue, sneezed loudly and again began convulsing. The man became more and more concerned about her condition.

When she sneezed yet again and started to have some kind of seizure, the man asked, "Are you okay? Do you want me to get the stewardess?"

"No, I'm fine," the woman

replied. "I'm sorry if I disturbed you. I have a rare condition; every time I sneeze I have an orgasm."

The man, now feeling embarrassed but even more curious, said, "I've never heard of that before. What are you taking for it?"

The woman looked at him and said, "Pepper."

Question: How do you fry toilet paper?

Answer: I don't know either, but I can brown it on one side.

A woman was being examined by her gynecologist when she heard him remark, "What a large vagina. What a large vagina."

"You didn't have to say it twice," the patient shot back.

The gyno replied, "I didn't."

The HUSTLER Dictionary defines *straightforward* as: a novelty in women's hockey.

In need of an attack dog, a man went to a kennel and asked for the biggest, meanest, most vicious dog they had. The kennel manager led him down a hallway lined with cages. They came upon a huge, snarling rottweiler that was clawing at his restraints.

"He looks like a good attack dog," said the buyer.

"Well, he's not bad," replied the owner, "but I have something better in mind for you."

They kept walking until they came to an even larger, meaner rottweiler that tried to bite the two men through the wires of his cage.

"Ah," said the buyer, "this must be

the dog you were talking about."

"Well, no," said the owner. "I have something better in mind for you."

The two men kept walking until the kennel manager stopped in front of a dog that was lying quietly on his side, licking his ass.

"This is the dog for you," said the manager.

"What the hell?" the buyer exclaimed. "You must be joking. He doesn't look like an attack dog. Shit, he's just lying there, licking his ass."

"I know, I know," said the owner, "but you see, he just ate my lawyer, and he's trying to get the taste out of his mouth."

A small boy was lost in a huge shopping mall and approached a uniformed policeman.

"I've lost my dad!" the tot wailed. "Can you help me find him?"

The policeman knelt down and said to the little boy, "Well, sure, son. What's he like?"

"Beer and pussy," the boy replied, "but I don't see how that helps."

Miller Lite's Catfight Girl

Kitana Baker

PHOTOS COURTESY OF DEJA VU

Sultry brunette Kitana Baker made a splash with her recent Miller Lite commercial, which began airing during the NFL play-offs and transforms the advertising classic tastes-great-less-filling debate into an erotically charged, water-and-wet-cement-drenched, clothes-shredding catfight between Baker and blond bombshell Tanya Ballinger.

Before becoming the patron saint of horny suds-swillers for her beer-commercial exploits, the raven-haired beauty portrayed a "Girl at Hippie Party" in the Bob Crane biopic *Auto Focus*. She has also been featured in *The Scorpion King* and *The Hot Chick*, and she scored the role of "Tart #2" in the upcoming Coen Brothers film *Intolerable Cruelty*. The versatile brunette's television credits include *The Man Show*, *Scrubs* and a stint as guest cohost of E!'s *Wild On!* *Wild on H2O*.

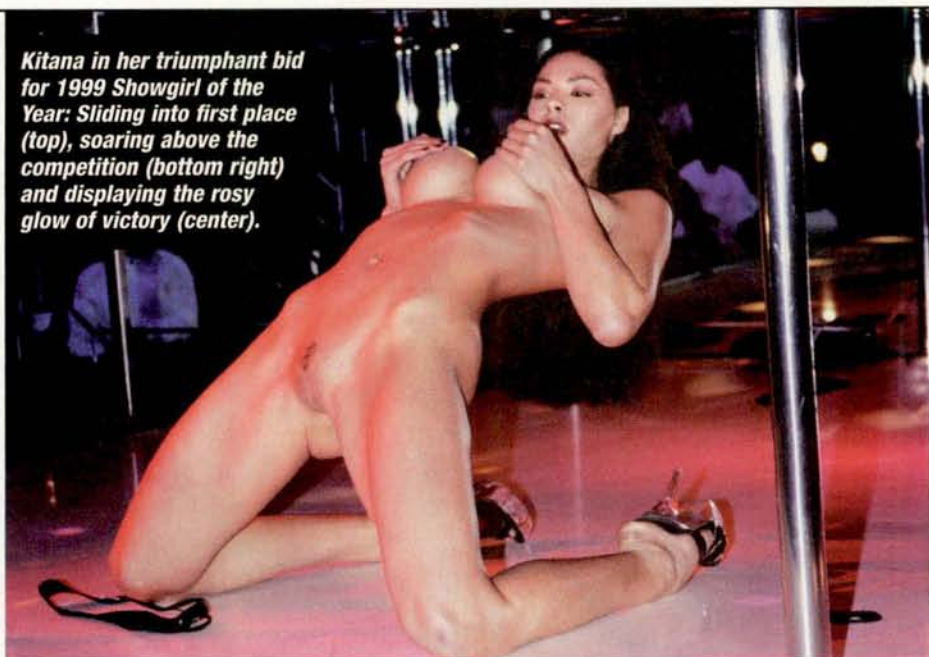

Baker's resumé—which was recently removed from her Web site—provides the following statistics: She's 5-9, weighs 135 pounds, wears a size-8 dress, and her shapely measurements are 34D-26-37. The athletic sex kitten's "special skills" include water polo, soccer, water skiing, competitive swimming, snow boarding, jet skiing and something called the Sea Doo.

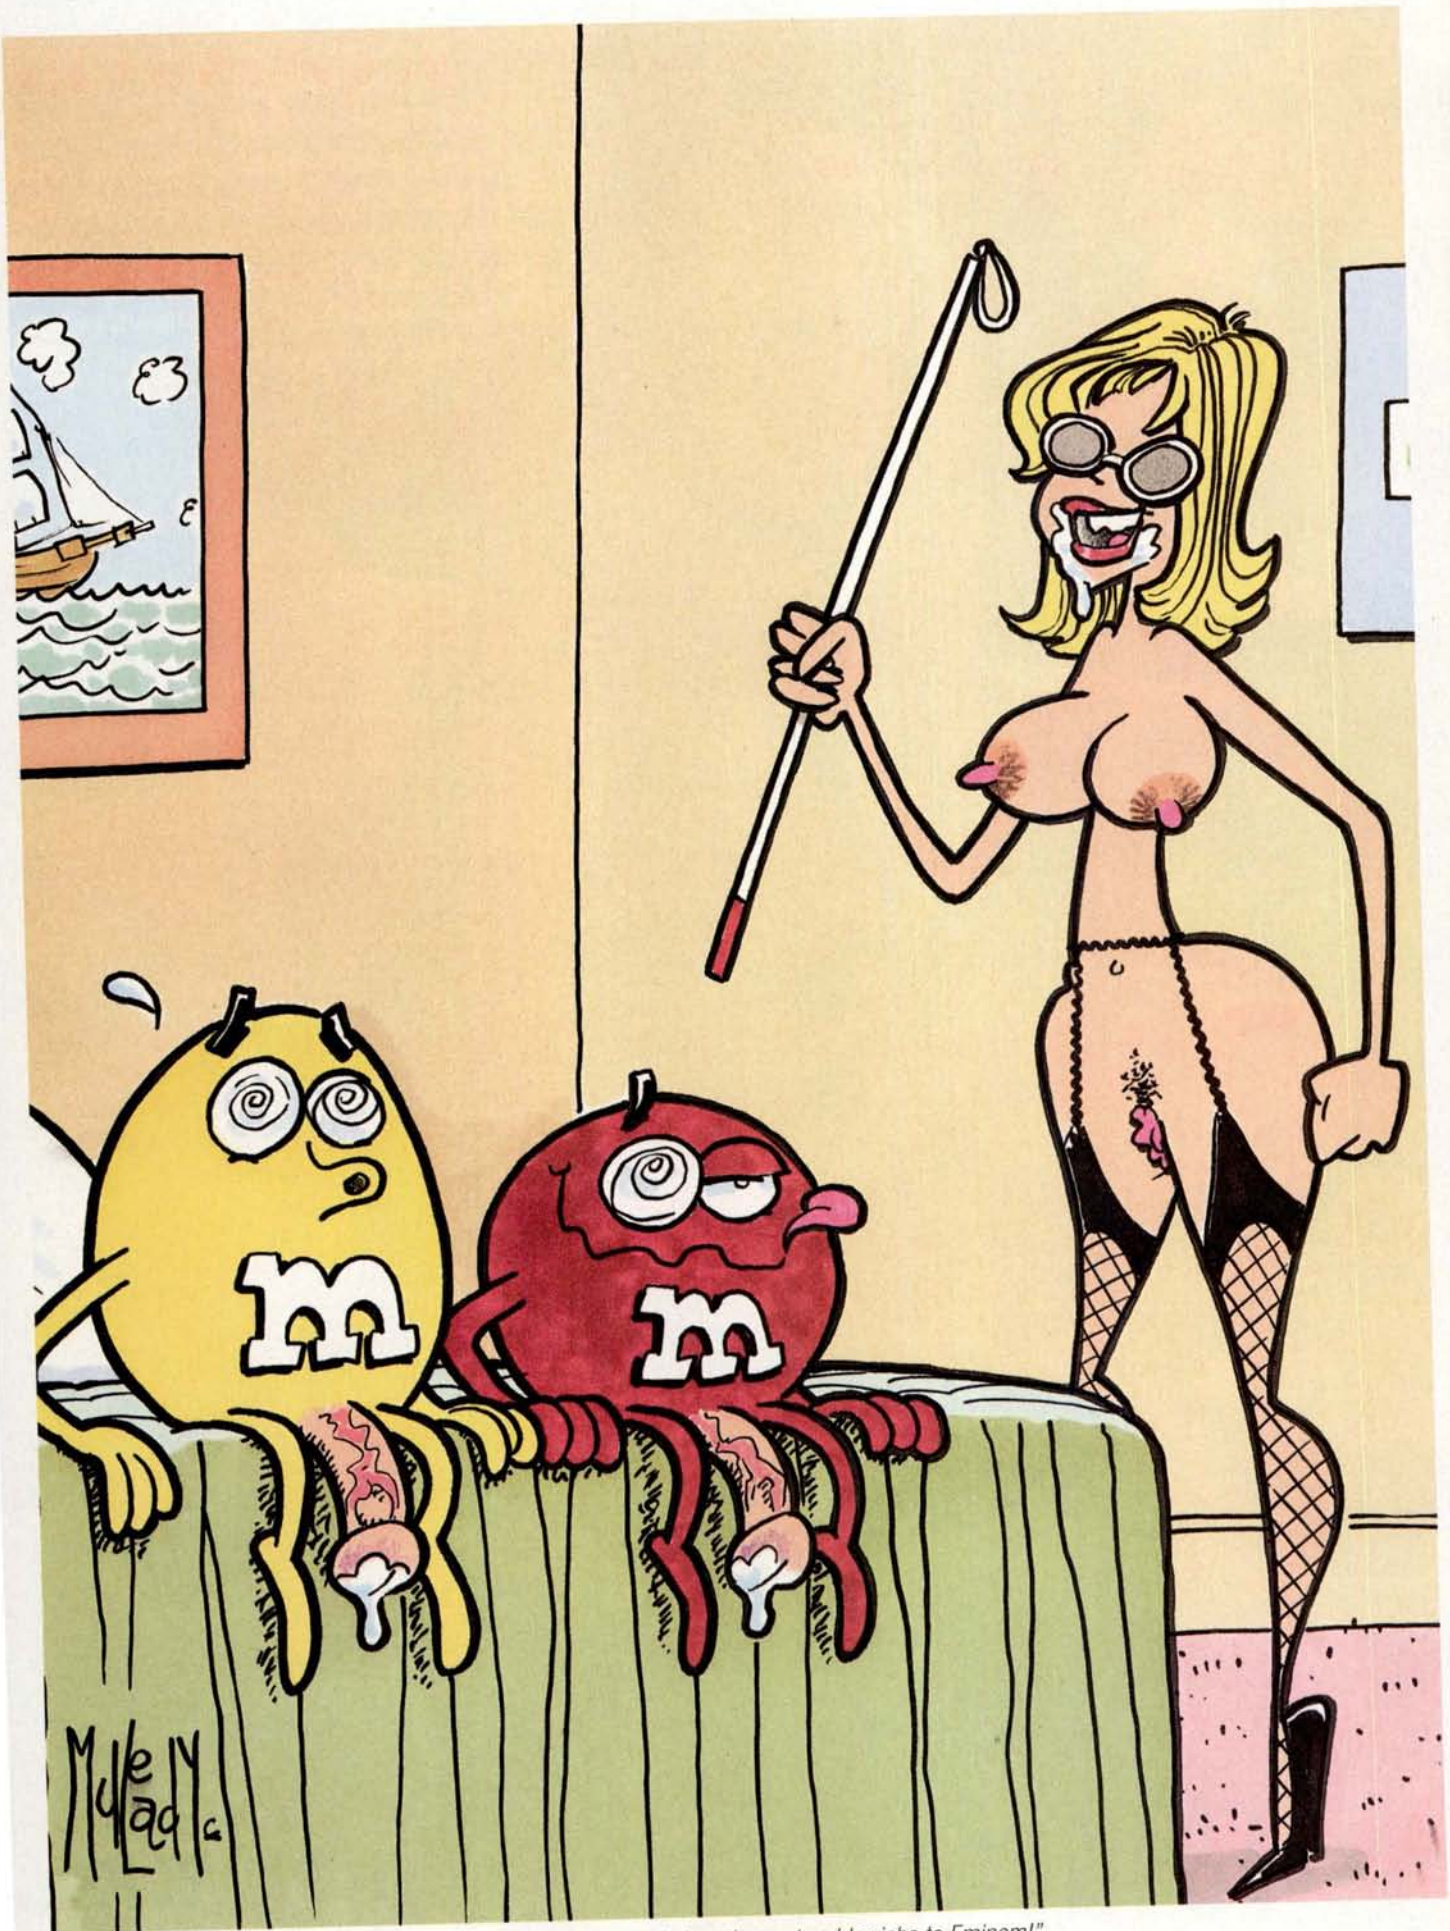

While the Miller Lite commercial has sparked a wave of controversy, mainly from so-called feminists, Baker's beer campaign is nothing compared to her work before becoming a mainstream actress. A few years ago, the busty model/actress was an exotic dancer at two Deja Vu men's clubs, one in Ontario, California, and the other in North Hollywood, California. More importantly, however, just after winning the coveted Showgirl of the Year award in 1999, the future Miller Lite wet dream posed for the explicit pictures on the preceding two pages.

Peaches

RHYME AND SLEAZIN' WITH CHARLIE AMTER

Dildo-swinging sex rapper Peaches leads the new nympho nation of

Peaches is getting downright freaky onstage tonight at L.A.'s Palladium theater. Rubbing the microphone cord suggestively between her labia, the nasty brunet rapper is driving the crowd of more than 3,000 fans wild with lust. Sporting an oh-so ironic mullet, a skin-tight leotard bottom and an exposed red bra, Peaches resembles an '80s Sunset Strip hooker on meth.

High above the crowd, the lascivious singer stands in a wide, rock-star stance, her pube-covered inner thighs clearly visible. Fans storm the stage with cameras, snapping photos of Peaches's hairy crotch for posterity.

Thanks to her innovative songwriting skills, the pornographic lyricist has almost single-handedly ushered in a new generation of sex-positive female electro singers and producers.

With songs like the seedy "AA XXX" and the lesbian rape ballad "Casanova," Canadian-born, Berlin-based Peaches (née Merrill Nisker) is quickly becoming the

Madonna of the porn generation.

"I had a crazy Boy George experience in London," says Peaches with a slight accent that gives away her Toronto upbringing. "I met him in a club a few nights before my show there, and he just came up to me and said, 'Fuck the pain away.' I was wearing one of my new 'Fuck the Pain Away' thongs; so I pulled it off and gave it to him. He started sniffing it. It was fantastic."

The not-so-demure catchphrase quoted by Sir George is also the title of one of Peaches's most popular songs. A paean to the therapeutic qualities of screwing, "Fuck the Pain Away" sets naughty bedtime lyrics over throbbing synth bass lines and tinny, lo-fi snares. Peaches's entire debut album, *The Teaches of Peaches*, swoons with a blend of Nine Inch Nails' first record—stripped of pomp and tortured sentiment—and Lil' Kim's raunchier moments.

After fronting a folk outfit, Mermaid Café, and a punk band, the Shit, in Canada, former schoolteacher Peaches eventually fled

the Toronto rock scene in favor of Berlin's artier, sleazy vibe. She was inspired by the community of do-it-yourself musicians there who were using technology to get their message across.

Lyrically, she was partially guided by rap music. "I think it was more about Snoop Dogg," the carnal chanteuse says of the inspiration for some of her more perverted rhymes. "It's kind of frustrating listening to hip-hop these days, because the guys are all in control and flippin' the girls around; so I wanted to do a spin on that. I admit that a lot of nasty rap does turn me on though."

In 2000, Peaches was signed to German indie label Kitty-Yo International, who sold more than 15,000 copies of her debut album, thanks to hipster word-of-mouth and her outrageous live shows. In October 2002, the major label XL Recordings rereleased *The Teaches of Peaches* with five bonus tracks. Bolstered by the wider distribution, particularly in America, where her raunchy opus can now be found in mainstream out-

electroclash sluts with her raunchy rhymes.

lets such as Virgin and Tower, so far Peaches has sold more than 50,000 copies of her record worldwide.

The smutty songstress, who routinely sells out midsize venues on her own, scored an opening gig last year for stoner-rock heroes Queens of the Stone Age. While on that cock-rock tour, she alternately confused and turned on most of the hormone-crazed teenage boys in the audience. Her raunchy act featured a skimpy cat-suit costume and a strap-on dildo. Not many of the young, male Queens of the Stone Age fans were ready for Peaches's brand of riot-inducing, raw sexuality.

"When I put the dildo on, people were freaking out like I killed their baby or something," she remembers. "The second I go onstage with the dildo hanging from my waist between my legs, they would say, 'Fuck you, bitch. You suck.' I always responded with, 'Actually, I swallow.' Their faces would just go white when they realized that I just said something better than they said."

While hot lesbian and straight girls, along with more experienced pervy dudes

in their 20s and 30s, can't get enough of Peaches, the dildo-wielding diva believes that young teenage boys are generally perplexed by a woman so uncompromisingly in control of her sexuality.

"To me, the dildo represents how we always see dudes rocking out with their cocks out, and chicks shaking their tits and their asses in this society. I'm doing it as well—it's just on my terms. It's like, 'I'll do it, but let me show you how.'"

Not that the pansexual brunette doesn't mind a good old-fashioned screwing every now and again. "I love to fuck. If you are worth having sex with, I'll have sex with you. I don't care if you are male or female."

One listen to *The Teaches of Peaches* affirms the fact that, indeed, sex practically marinates the dirty mind of this electrosiren. Take "AA XXX": "Licky lickie sucky fucky, nobody here can tell me they don't want to fucky fucky/I'm only double A/but I'm thinking XXX." Or

PEACHES ON PORNOGRAPHY

Peaches is a XXX connoisseur who claims to have "seen it all before." Here are a few of her thoughts on jizz flicks:

>> **Favorite Porn Star:** "Cicciolina."

>> **Chances of Starring in an Adult Film:** "Not the way most porn is now. I would consider doing one if [former gang-bang queen] Annabel Chong directed it."

>> **Bukkake Videos:** "I started my own club called 'fukcoky,' where girls who can spray, jizz their spray all over on a big, helpless muscleman's face. Mmmmmmm."

>> **Gang-Bangs:** "Me and my girls get together, and we all take turns fisting one guy's asshole. Usually there are 20 [girls] at least."

>> **Midget**

Porn: "As long as I or any other girl can fit a beer bottle on the midget's head while he is giving me or the porn girl head, then it's okay by me!"

>> **Jacking Off to**

Porn: "I get da real thang, not da reel thang."

>> **How to Improve**

Porn: "Females spraying it. Guys on their knees. Real hot guys, not just hot chicks. Why are guys so fuckin' dorky and shitty in straight porn? My biggest desire in porn would have [the movie] end with a girl spraying all over a guy's face."

ILLUSTRATION BY MICHAEL RICHARDS

her ode to a nontraditional ménage à trois on "Casanova," in which she raps to her female coconspirator, "Be here in half an hour/I'll have him showered, scoured, deflowered/just come on strong/and don't take long (he's so well-hung)/and if he calls us lesbians/just slip it in."

With lyrics like these, it's no surprise that Peaches has many female fans, including busty rap goddess Lil' Kim. (Kim and Peaches are hoping to collaborate on a track in the future.) But Peaches doesn't see herself as particularly extreme, even though many tout her as the ultimate in pulsing, 21st-century erotic electroclash.

"Maybe I sound nasty," she says, "but I think I represent the mainstream. It's just human instinct to fuck. What's pornographic about expressing one of the five basic human needs? Especially the only basic human need that involves another person."

For the record, Peaches is not simply a nympho who sings; she's a nympho who writes and produces all her own songs as well, the one exception being her cover of Berlin's 1982 club hit "Sex (I'm A...)".

"That song is really cool, and I relate to it, but when I was young, that song scared the shit out of me," says the 35-year-old singer. "I woke up one morning listening

This Is Electro-Gash

THE GIRLS OF THE TECHNO-REVIVAL MOVEMENT

LADYTRON

Perhaps the most successful act of the electroset, Ladytron creates a perfect blend of Kraftwerk-inspired soundscapes and singer Helena Marnie's detached voice. On the English group's biggest hit, "Seventeen," Marnie sings/speaks, "They only want you when you're 17/When you're 21, you're no fun." We couldn't agree more.

W.I.T. (WHATEVER IT TAKES)

This sexy trio is composed of Christine Doza, Melissa Burns and Danielle Top. The group, whose motto is, "We don't want to let integrity get in the way of our careers," do a sizzling cover of the Cars's "Just What I Needed," but are probably appreciated more for their leggy performances.

ELECTROCUTE

Electrocute are two Berlin-based hotties who sing minimalistic techno odes to S&M and spanking in German and English. With songs such as "I Love My Daddy," which features the incestuously suggestive lyrics, "Why can't all men be just like my daddy?" it's no surprise that L.A. hipster label Emperor Norton snatched up these Euro-beauties on the strength of a rough demo, photos and Peaches's recommendation alone.

CHICKS ON SPEED

This international trio is a multimedia art project that happens to make abrasive and trashy music. In addition to records, the threesome produces T-shirts, dresses and laptop bags, and is currently working on a self-titled book.

to my AM radio, and I was like, 'I feel dirty. Mommy!' I think that's how people kind of feel about Peaches when they first hear it."

While Peaches prefers irreverence to any serious analysis of what makes her so compelling, she has effortlessly articulated the voice of America's alterna-stripper nation. She is the voice of fun, powerful, flirtatious and provocative women who are in control of their sexuality and down for anything.

Her latest video, for "Set It Off," is a perfect example of Peaches's button-pushing, but sensual, agenda. You won't be seeing this video on MTV anytime soon. "It's kind of [a] parody on bathroom sex," says Peaches. "Everyone thinks bathroom sex is so hot, so now."

While mocking trendy clubgoers getting it on in bathroom stalls, the video also drives home a provocative point. As the narrative progresses, Peaches's hair grows longer with each shot. First her locks become long and sexy, then her eyelashes turn lush and lengthy. By the end of the video, however, her pubes are a dripping-wet forest, and she has more facial hair than Grizzly Adams after a monthlong camping trip.

"I was trying to be sexier, the more hair I grew," says the conceptual tease. "Long hair from your head and long eyelashes are considered girly; so I started out with the more girly hair. But then it was like, 'Well, what are you going to do with more hair? It's everywhere!'"

Peaches's message to men? Deal with it. "I just like to push the boundaries of beauty and sexuality," says the raunch-rap rabble-rouser, who repeatedly demonstrates that a girl doesn't have to look like Jenna Jameson to project hard-core eroticism. So far, her mission has been successful.

The Escort: Nikita, Becca and April battle for ball batter.

The Escort: April assumes the position.

The Escort

Directed by James Avalon.

Starring April, Lezley Zen, Ann Marie, Sunrise Adams, Teanna Kai, Friday, Nikita Denise, Becca Bratt, Trevor Zen, Nikko Knight and Eric Masterson.
Videocassette: Metro, Inc.

The Escort accompanies perverts on a hallucinatory fuckfest led by attractive strumpet-for-hire April. When the waifish sperm-burper arrives at the Willy Wonka-style mansion of a reclusive client named Mr. Zeigler, she becomes lost in a world of diabolical midgets, female oil wrestlers and confused symbolism. Despite pretentious bullshit on the nature of dreams and reality, six solid ruts featuring outstanding tramps help fist-humpers forget the metaphysical quandaries and focus on the sound of one hand stroking. Lezley Zen turns in a scorching boff as a role-playing whore with cowgirl duds and a Texas-sized appetite for cock. April, however, is clearly the star of the production, huffing choad and lapping gash in four separate scenes, including an orgy with the unstoppable Nikita Denise. Fans of slick filth will definitely enjoy their time with *The Escort*.

Wicked-Good DVDs

AWARD-WINNING DIGITAL FILTH FROM
WICKED PICTURES

Although countless XXX titles are available on DVD, few take full advantage of the capabilities offered by the versatile format. Over the last few years, Wicked Pictures has earned recognition for releasing lavish, double-disc editions of their features, loaded with extras, such as *Euphoria*, which walked away from the 2003 AVN Awards with trophies for Best DVD, Best DVD Extras and Best DVD Authoring.

David Crawford, head of Wicked's DVD division, explains the company's philosophy behind its digital releases: "You expect more from a DVD; when I spend my hard-earned money on a movie and it doesn't have any extras, I feel ripped off."

Along with deluxe features such as Dolby Digital 5.1 surround sound, multiple angles, director commentaries and extended scenes, Crawford also loads his discs with "Easter eggs," hidden treats that DVD fanatics can seek out, such as a blooper of Randy Spears jumping the gun to bone Sydnee Steele. *Euphoria*'s two-disc set alone includes a dozen such buried treasures.

Crawford begins planning his DVDs as the feature goes into production, working with the director to map out what will be included when the film is ready for release. It's time-consuming work that requires months of preparation, but Crawford takes great satisfaction in topping his previous work with each new project. "I compete with myself," he says during a lunchtime meeting.

Crawford is currently planning his next big production, a feature from director Michael Raven entitled *Angel X*, a live-action Japanime with *Matrix*-inspired effects and, of course, loads of scorching sex. We look forward to the result.

Enigma

Directed by Patti Rhodes and F.J. Lincoln.

Starring Chloe, Shyla Stylez, Keri Windsor, Steve Hatcher, Eric Masterson, Marty Romano and Cheyne Collins.

Videocassette: VCA Pictures.

With only three porn sluts in its cast, *Enigma* squeezes every drop out of its starlets. Best friends Chloe and Steve Hatcher head out to a secluded cabin, unaware of what lurks there. After farewell boffs with their significant others, the duo disappears into the woods. There, Chloe encounters a smoking-hot ghost named the Enigma. Chloe succumbs to the insatiable blond phantom, who vanishes in the middle of their passionate lesbian rut, abandoning a dildo in Chloe's twat. The Enigma then ravages the rest of the Scooby-styled gang, including two goons who are stoked to score such an unbelievable lay, until the mystery of the haunted cabin is revealed. When they're finally safe at home, Chloe and Hatcher hook up, and the svelte red-head's eyes roll into the back of her head as her fudge-pipe is hammered, ending *Enigma* with an unearthly bang.

Brand New

Directed by Vince Vouyer and David Luger.

Starring Boo Dilicious, Sativa, Bambi Bliss, Melody, Adrianna, Diana, Mr. Pete, Brian Pumper, Brett Rockman, Brian Surewood and Joel Lawrence.

Videocassette: Red Light District.

A sextet of neophyte strumpets degrade themselves for fun in *Brand New*. Sticking with the trusted formula of grabbing an 18-year-old off the bus and cramming her full of cock, directors Vince Vouyer and David Luger discover several ingenues who are destined for jizz-queen glory. Delicate Boo Dilicious is roughly drilled by Brian Surewood and Brett Rockman, but the budding tramp is all smiles once she has a moment to recover from her sperm-drenched hole-stretching. Diana, a brunette with a Cindy Crawford mole, proudly states, "I'm 18-and-a-half" before her mouth is crammed with cock by dual mooks. When one swordsman unloads early, Diana keeps fucking with a face blanketed in spunk. Nubian beauty Bambi Bliss has eyes pretty enough to almost make one forget about her all-natural, 36D chest sacks. With fresh talent to spare, *Brand New* never gets old.

Anything

Directed by David Stanley.

Starring Cheyenne Silver, Wendy Divine, Brittany Skye, Savanna Samson, Autumn, Anton Michael and Dale D'Bone.

Videocassette: Vivid Video.

Anything is the mantra of cock-hungry femme fatale Wendy Divine. Eager to fulfill her man's kinky fantasies, Wendy is also quick to lash out when she's crossed. After spying her man flossing Brittany Skye's teeth with his cock, Wendy grabs the nearest guy for a feral payback fuck. The vixen then splits to L.A. with her new beau, Anton, in the wake of a suspicious double murder. Inspired by the steamy nurse-on-nurse action in a porn tape, Wendy earns best-girlfriend-ever status by luring sexpot Cheyenne Silver back to the couple's pad and treating her lucky stiff to a scorching all-girl show. However, Anton can't resist violating Cheyenne's delectable body and pays the ultimate price when Wendy walks in on them. A ménage à trois would have made for an even better ending, but watching Cheyenne's moist snatch get reamed is still a pleasure worth almost *Anything*.

The Real Deal Amateurs: Real Naughty Amateurs at Play

Directed by Uncredited.
Starring Summer, Talle, Jessica, Sirene, Mona, Demetry, Dylan, Tony, Rick and John.

Videocassette: BB Entertainment.

Wearing its Z-level production values as a badge of honor, *The Real Deal Amateurs: Real Naughty Amateurs at Play* peers into the erotic lives of four swinging couples. The regular-folks quality of the performers makes watching their copulatory endeavors seem more voyeuristic than those of contract girls who bone for bucks. Bottle-blond Talle is blindfolded and led into a room by her beau, Dylan, who then reveals a suspension harness. The two enjoy an acrobatic fuck as Talle performs zero-gravity docks with Dylan's tumid rod. Elsewhere, Tony gives hope to guys everywhere by showing that a pasty, small-dicked fat guy can have a cute girlfriend like Jessica, who even brings him a cold beer before hoovering his choad. With reasonably attractive players and genuine female orgasms, *Real Naughty Amateurs at Play* proves that you don't have to be a pro to be serious about sex.

Head Clinic #3:
Precious proves her worth.

High Octane #11: Krisz ensures that the pool-table felt will forever smell funny.

Shane's World #32:
Belladonna keeps her options open.

Head Clinic #3

Directed by Nicky Starks.
Starring Pebbles, Sin Star, Kia Ivey, Caramel, Promise, Taliana, Shelly Stone, Sherry Mia, Stacey Cash, Karizma, Mandy Malone and Precious.

Videocassette: Darkside Entertainment.

Head Clinic #3 admits a dozen Nubian sistahs who don't need any help perfecting their dick-slurping skills. While most blowjob tapes feature 20-plus girls in rapid succession, the brown-sugar fellatrices presented here take their sweet time, switching from slow to fast, some gumming the tip, others going balls-deep. Almost all of these sweet, young knob-gobblers are finer than a silkworm's ass hair. Who wouldn't crave an extra-long hummer from a chocolate hottie like 19-year-old Promise or four-eyed newbie Shelly Stone? Only a couple of the babes need to back that thang up, but it's all good when they lick, stroke, slurp, gnaw and slobber on dark-meat salami. Some phat beats would be off the hook, but these dozen pud-huffers bob their heads to church-mouse silence just fine without a rhythm track. Check yourself into *Head Clinic #3* and get these nuts served.

—J.P.

Shane's World #32: Campus Invasion

Directed by Uncredited.
Starring Belladonna, Calli Cox, Malorie Marx, Evalyn Tex, Mr. Marcus, Drunky the Bear and a mob of drunken fraternity brothers and squealing sorority harpies.

Videocassette: New Sensations.

Dealing a potential death blow to an already-troubled American educational system, *Shane's World #32: Campus Invasion* descends on an unnamed institution of higher learning in Indiana. Calli Cox and Belladonna mash their breasts into the face of a nervous college-radio DJ as he announces that porn stars have taken over the school. With Malorie Marx and attractive newcomer Evalyn in tow, the ladies hit frat row to suck the taffy-like peckers of soused brothers. The starlets, however, don't fuck any students; they save that activity for ringers Mr. Marcus and Tex. Shrill sorority sisters also appear on the scene, screeching with glee as a few of their rank briefly lick Tex's schwanz but don't suck it. A bit of classic comedy occurs when Mr. Marcus paddles Calli Cox's ass a tad too hard, but *Shane's World #32* doesn't have enough hard-core action to make the grade.

—C.T.

Rear Factor #2

Directed by Jim Enright.
Starring Lezley Zen, Zana, Kiki Daire, Envy Mi, Aurora Snow, Steven St. Croix, Randy Spears and Lee Stone.

Videocassette: Pleasure Productions.

Unlike the reality-TV show it's supposed to be spoofing, *Rear Factor #2* thankfully steers clear of live bees and cow's blood. An impressive bevy of porn talent shows up to have some fun and kick some ass. The first challenge for the five slutty contestants is a rousing deep-throat competition, with the quintet of hot contenders passing around Lee Stone's bent boner as they try to one-up each other. One über-tramp is quickly eliminated, but protects her rep as a primo cock-smoker by boning the host. Pigtailed pixie Envy Mi also stars in a behind-the-scenes sexfest that capitalizes on her tight snatch. The final challenge single-handedly earns the *Rear Factor* tag by stretching shit-pipes to their limit with increasingly larger dildos. Itching to find out who will walk away with the grand prize? Who gives a shit? Check your local listings for *Rear Factor #2*.

—J.P.

High Octane #11

Directed by Patrick Handsome.
Starring Veronica, Angelica, Morena, Melissa, Ginger, Olena, Krisz, Dominiko, Vincent and Aurtorro.

Videocassette: HUSTLER Video.

A goofball XXX-crime-family saga from Europe, *High Octane #11* earns fist-pumping applause for its fine selection of trashy Euro-starlets and hilarious English overdubs. Like a porn equivalent to *What's Up, Tiger Lily?* the vid connects the various fucks with absurdly twisted dialogue. After lamenting the wayward behavior of her daughter, a trashy matriarch fucks her new husband in a swimming pool. Meanwhile, the daughter shows that she is taking after her mother by getting double-teamed by two greasy goons on a pool table. A gorgeous brunette plays nurse to a wounded imbecile. The European pedigree of the performers guarantees plenty of anal sex, and only one of the starlets sports artificially inflated tits. The foreign female talent is difficult to keep track of due to their first-name-only monikers, but *High Octane #11* will nevertheless keep fans of fun video filth revved up.

—C.T.

Rear Factor #2: Zana hits a gusher.

High Octane #11: Olena, distracted by her own breasts.

Rear Factor #2: Aurora Snow has sweet dreams of anal plunder.

Shane's World #32: Calli, Belladonna, Evalyn and Malorie to their part for education.

Attack of the Crones

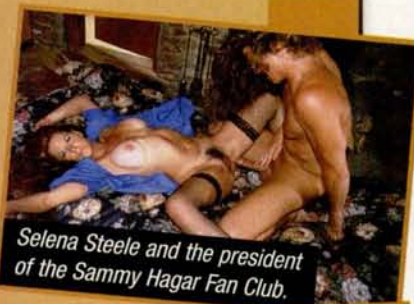

APPRECIATING GERIATRIC JIZZ QUEENS

As countless young sluts flood into America's Porn Valley, a few hardy strumpets of yore continue to display their ball-draining skills for the public. Whether hard economic times or an insatiable craving for cock have kept these ladies from moving on to a well-deserved retirement is unclear. There are those who would argue that these time-worn wenches are past their prime and should bow out while they still have a shred of dignity. To that, we say, "Balderdash." These women never *had* any dignity; that's what earned our respect for them in the first place.

Amber Lynn was made to be violated, and a career spanning three decades proves it. Even if the mileage is starting to show on Amber, her nastiness is undimmed in such recent videos as *Pussyman's Squirt Fever*. Some of the younger blue-screen whores could take an example from Amber's boundless enthusiasm for fucking and be less obvious about waiting for their paychecks as their twats are drilled.

Lynn has good company in the Senior Division of Porn Slutdom. When she's not lisping about safe sex and health issues in the adult industry, Nina Hartley still sets aside time to lap gash in *No Man's Land Legends* and get reamed by the likes of Mr. Marcus and Lexington Steele in *Hotel O #2*. Recently, Ashlyn Gere went back in front of the lens for VCA's *Deep Inside Ashlyn Gere*, and Selena Steele turned up in *Jim Holliday's Sorority Sex Kittens #6*. These fabled choad-huffers' return to the screen is a much more encouraging trend than, say, former jizz queens Veronica Hart and Sharon Mitchell drily discussing the state of the adult industry on National Public Radio. Such grabs at mainstream respectability take the fun out of porn.

With stunning young contract girls hogging the media spotlight, it's fitting to take time out to appreciate the trollops who have paved the way. If that opinion brands this editor a fossil-fucker, so be it.

Selena Steele and the president of the Sammy Hagar Fan Club.

Anastasia Sands: The editor's vision of the future.

Ashlyn Gere comes back for more.

Amber Lynn demonstrates the importance of stretching.

Nina Hartley's annual physical.

Stacked #9: Kate K. caught in a downpour.

The Squirting Adventures of Dr. G: Valentina returns a favor.

Hotline: Alex Sanders can't hide his jealousy of L.A.'s golden tresses.

The Squirting Adventures of Dr. G: Jessica May explodes with delight.

Hotline: Aria, about to break into song.

Stacked #9: Amber and Darla compare taste and texture.

Stacked #9

Directed by Frank Thring.

Starring Darla Crane, Black Diamond, Kate K., Amber Michaels, Alexia Pantany, Orsi Shine, Alex, Caro, Choky Ice and Frank Thring.

Videocassette: Top Heavy Productions.

Breast men are bound to feel cheated by *Stacked #9*. Darla Crane sports a mammoth rack, but she's a passive observer to all the action until her brief nightcap with Amber Michaels. Kate K. is front and center on the box cover for obvious reasons—she's a legal teen with blond curls, pouty lips, milky-white skin and all-natural, gallon-sized jugs. The raunchy nymph must shit rose petals, since her assigned stunt cock simply plays Duck, Duck Goose with her orifices, switching from dumper to pie hole no less than a dozen times. Kate's lily-white bazongas bounce like hyperactive twins on a trampoline throughout her prolonged deep-dicking. When Kate's hypnotic breasts aren't on display, *Stacked #9* struggles to keep viewers interested. None of these tramps are anywhere near flat-chested, but with the exception of Kate K., the bigger their bazooms are, the harder *Stacked #9* falls flat.

—J.P.

The Squirting Adventures of Dr. G

Directed by Axel Braun.

Starring Luisa de Marco, Eimi, Sindy Angel, Jessica May, Silvia Lancome, Jennifer Dark, Valentina Valli, Vanessa, Eva, Dashinka, Patrixxx, Phil, Klaus and Axel Braun.

Videocassette: Elegant Angel.

Shot in Prague, *The Squirting Adventures of Dr. G* plays like a travel diary of finger-fucking. With the help of nine different Euro-chicks, Dr. G demonstrates his ability to digitally drill snatch until it squirts. For full effect, the action is miked so close that the sound of moist, sticky flesh being slapped and twirled is deafening. One can practically hear the ooze as girls gasp to catch their breath once their ginches have been thoroughly plundered. After the finger-reaming, each girl administers a blowjob to oafish swordsman Patrixxx, although in one case, a lucky crew guy named Phil is hoovered by the stunningly attractive, if bitchy, Eva. Otherwise, the vid is heavy with weak footage of Dr. G on his cell phone lining up talent and awkward starlet interviews. *The Squirting Adventures of Dr. G* adds up to little more than a dribble.

—C.T.

Hotline

Directed by Mike Quasar.

Starring L.A. LaMann, Ashley Blue, Pantera, Zora Banks, Alexis Malone, Aria, Nikki, Alex Sanders, Trent Tesoro, Steve Hatcher, Mark Davis and Mark Wood.

Videocassette: Cal Vista.

L.A. LaMann is smart enough to hold out on her oafish new beau, Mark Wood, in *Hotline*, but torturing him with a series of phone-sex calls tests the busty blonde's resolve. LaMann's reluctance is partly explained by an '80s flashback to when a hair-metal drummer popped her cherry. Elsewhere, the always tasty Ashley Blue is the hot pastrami in a love sandwich. The special of the day, however, is sushi tacos, courtesy of Pantera and Zora Banks, who grind clits in the girls' bathroom. Amber-tressed Alexis Malone is arguably the hottest snatch on the line, demonstrating her penchant for fierce, four-to-the-floor drilling with Steve Hatcher. Sadly, Vaseline-coated lenses and bad lighting mute the solid performances from top-notch talent. Ashley Blue, Pantera and Nikki are serious fire hazards in other flicks. In *Hotline*, through no fault of their own, they merely smolder.

AMATEUR PHOTO/VIDEO CONTESTS \$5,000 IS UP FOR GRABS

Guys, we need you to be HUSTLER's campus point men in our ongoing search for new, untapped Beavers. Do you know gorgeous college students who are over 18 years of age? We're looking for readers to recruit babes for the *Real College Girls* division of *Beaver Hunt*. The process is easy; just snap a couple of clear, sexy—the more explicit the better—photographs (digital shots are cool too, as long as they're high resolution and printed on photo-quality paper). Send them to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every female whose picture sees print will receive a \$250 honorarium, as well as a slot in HUSTLER's 2003 *Beaver Hunt* competition and a chance to appear in the video version of HUSTLER's *Real College Girls*. Finalists score \$1,500 each, and the Grand Prize winner will appear in a HUSTLER photo-feature and earn \$5,000. The photographer of the Grand Prize winner scores \$500, and the Finalists' photographers earn \$250. All photographers of models appearing in *Real College Girls* receive a one-year subscription to HUSTLER. Ask the girls to fill out the model release below, and include copies of two legal forms of ID and a current college ID. The model's photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of L.F.P., Inc. No essays are required, but if your model can come up with something sexy, tell her to knock herself out.

MODEL RELEASE/ENTRY FORM

To enter *Real College Girls* or *Video College Girls* you must be 18 years of age or older, and you must fill out and send this release and copies of two forms of ID, one with photo (i.e., driver's license, passport or photo ID issued by state). Second ID can be a birth certificate, Social Security card, credit card, marriage certificate or immigration card. One ID must include your date of birth, and one must include your signature. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Send videotapes in VHS format. Showing pink is optional at entry stage. All photos and videos become the unreturnable property of L.F.P., Inc., which buys all rights in perpetuity to photos and videos we purchase. Win \$250 if we publish your photo, or \$500 if we choose your video, and win the chance to be in an extended pictorial or feature video worth \$5,000. Send photos, videos, IDs and release to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

A student/dancer from Wolfforth, Texas, 26-year-old Ashton has a bachelor's degree in psychology and is working toward her master's degree in geriatrics at South Plains College in Levelland, Texas. Ashton hopes to become a sex therapist. "I want to teach ordinary housewives how to pleasure their husbands the right way and maybe save a marriage in the process," Ashton says. Besides sex, Ashton's interests include "reading, fishing, hiking, playing with my dogs and gardening."

Desiree, a shiny siren from Akron, Ohio, lists "shopping" as her sole hobby. Although the 22-year-old college student surely has other interests and aspirations, Desiree writes, "My fantasies are all fulfilled, but I would like to share my boyfriend with my girlfriend."

Handyman's Helping Whore

When college isn't in session, I pick up extra weed money by painting at an apartment complex my uncle manages. It's a tough job, and I'm always pleading with Uncle Joe for some assistance. But when he told me that he hired a girl to help out, I was pissed.

"No woman can hoist five-gallon buckets of Antique White," I argued. "Not unless she's a wildebeest." Uncle Joe didn't even look up from his invoices. "It's a done deal," he insisted. "Mandy is already working up in unit 216."

As I trudged out of the rental office, a thought hit me: I'll sneak up the back

I craned my neck for a closer look. The horny, young bitch was caressing her pert little titties with one hand and rubbing her puss with the other. This kinky freak was getting off on the silky plastic coveralls! I instantly popped a woody. The reason for Mandy's employment was becoming more evident. "Uncle Joe, you are one sly pervert," I chuckled to myself.

"Eeee!" Mandy shrieked as she turned to face my leering visage. "I...I've never worn coveralls like this," she stammered, one hand still probing her crotch. "I've never painted before either—I was waiting for you to show up."

"Come here, slut!" I proclaimed. Mandy approached meekly. I took my trainee by the shoulder and pushed her to her knees. "Painting lesson number one: Prepare the work surface," I explained as

and slurped the tip into her mouth. Though Mandy claimed to be a novice painter, it was clear she was orally experienced. In no time, my beef wand was snaking all the way down her throat. I grabbed Mandy by her ponytails and fucked her mouth roughly, slamming her cute, turned-up nose into my curly pubes.

Mandy was doing a fine job, but there were other skills to be learned. I disengaged the little suckhound and stood her up against the wall. I grabbed onto her tits and coarsely pinched her nips—they *did* feel awesome through the plastic material.

"Remember, cut away any material that obstructs your work," I instructed as I sliced the front of her coveralls with my utility knife. Mandy giggled. The inside of her work clothes was drenched with pussy juice. I promptly spread her beaver like a

I withdrew my twitching prick from her gullet and aimed my cock head at her smiling face.

stairs and spy on this wench to see what she looks like. Man, was I surprised at what I saw when I got to the unit—this chick was tight! Mandy was about 19 and petite, with a shapely round ass. Her blond hair was done up in two ponytails. She was wearing a white Tyvek painting suit and, apparently, little else: Her street clothes were stacked neatly on the floor.

I shoved her mug into my groin. She immediately began licking my stiff crotch pole through my painter pants. "Ooh," she moaned. "What kind of tool is that?"

"Please familiarize yourself with the painter's ten-inch roller," I said as I unzipped my fly. My drooling fuckstick slapped against Mandy's cheek. She wrapped her mitt around my man-meat

coat of fresh latex.

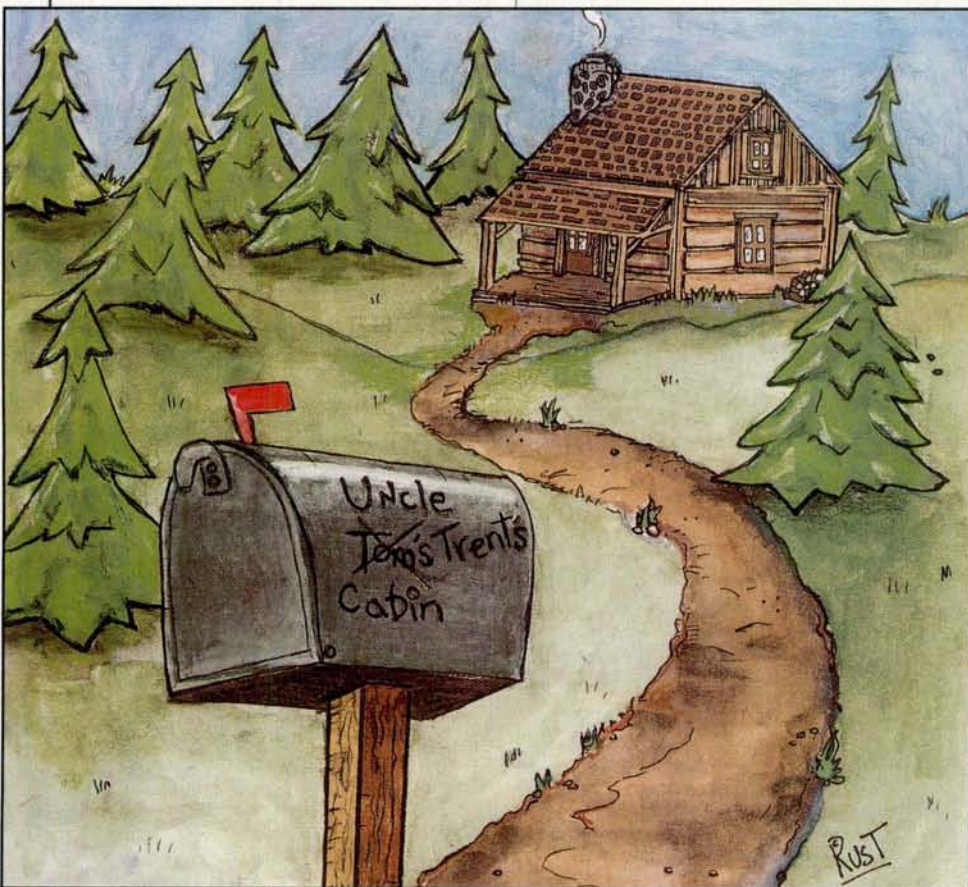

"Remember to use leverage when manipulating the roller," I grunted, stuffing my throbbing boner into her hot, pink love sleeve. Before long, I was pounding her sopping trench like it was a piñata filled with gold. When Mandy came, her face screwed up and she screeched, "Oh, gawd!" It has always been my fantasy to boink some whore up against a wall; so I was getting close too. I pulled my engorged love tool from her steaming cunt and once more guided Mandy to her knees. She immediately gulped my swollen shaft into her open maw.

"Next, apply the paint in even strokes, making sure to cover the desired area." I withdrew my twitching prick from her gullet and aimed my cock head at her smiling face, drenching Mandy with streams of hot, thick spuzz that clung to her cheeks in a ropy mass.

"Cleaning up after yourself is the final step in the painting process," as Mandy quickly figured out. I watched this hot, young honey conscientiously lick the errant sperm from my love stick and realized that even if a girl can't carry big buckets of paint, she can still be a big help at the work site. Mandy has since become quite a professional, and with her assistance the work doesn't seem half as hard.

A feisty housewife from North Hills, West Virginia, 46-year-old CathZ's main interests are obviously "toys and eating pussy." Always ready to try new things, CathZ's sexual fantasy is "to meet a woman who will tell me what to do and then fuck me in the ass with a strap-on."

—Photo by Husband

Hailing, appropriately enough, from Lickingville, Pennsylvania, leggy, 32-year-old Gina is enamored with "art, tarot, the music of Fats Domino and pizza with anchovies." Her eclectic tastes also extend to her libidinal wishes, which include "dancing naked on the tables at the Holiday Inn."

—Photo by Friend

A true nature girl, Angel, 27, fortuitously resides in Beaver, West Virginia. The robust beauty likes "dancing, photography and outdoor sexual activities." Her ultimate carnal aspiration is "to hook up with two hot women."

—Photo by Friend

Always ready to play, 18-year-old Babygirl from Newark, Delaware, currently has the quirky job of "cutting meat at the deli." Her interests reveal a distinct fascination with man-meat; her sole listed hobby is "giving oral sex," and Babygirl dreams of "getting fucked in the butt by one guy, getting fucked in the pussy by another and giving head to another guy."

—Photo by Boyfriend

A happy homemaker from Houma, Louisiana, Jessica is a playful fox whose interests include "cooking, cake-decorating, sports, and, of course, my main hobby is shopping!" The bubbly 25-year-old adds, "My fantasy is to have two hot blondes ravish me and take advantage of me."

—Photo by Husband

A fun-loving stripper from Independence, Kentucky, Angel is a big fan of "dancing, hanging out at bars, gambling and having hard-core sex while blindfolded and handcuffed." The adventurous 31-year-old is a natural exhibitionist, confessing her ultimate goal of "having sex openly in a public place and without a care."

With the new European Pulsating Penis Growth System, 9 out of every 10 men show permanent gains on average up to 5/4 in. Acceptable for any age (18-74), penis enlargement systems have been considered "Simple, Safe and Effective" by the U.S. News And World Report, (8/24/92) No prescription is needed, and is a highly recommended treatment for small penis size, impotence and pre-mature ejaculation over any risky and unneeded cosmetic surgery. This pump growth system utilizes a 100% pure vacuum tight seal and is one of the only European systems equipped with a vibrating chamber that will slide up and down your penis while you watch it grow. This growth and enlargement system also can increase the amount of ejaculation fluids by 50%.

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

**PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!**

**No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis
up to 4 Inches!**

**You Will Have These Penis Gains
In A Few
Weeks!**

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpora cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on your part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less than average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis will 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- ▶ A longer, thicker penis. Penis Enlargement up to 4 inches or more
 - ▶ A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
 - ▶ You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
 - ▶ Erections when you want them. Rock hard erections every time.
- No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- ▶ Stronger and more intense orgasms
 - ▶ Stop premature ejaculations
 - ▶ Safely enhance the size of your penis.

The appearance of your larger penis will arouse your sex partner

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

Penis Enlargement and Continued Sexual Health!
Take PRO+PLUS first for Penis Enlargement to reach your optimum size. After that continue taking only one PRO+PILL daily to improve your sexual health, feel younger, increase sexual desire, gain more stamina and greater sexual pleasure. You can also take 2 PRO+PLUS PILLS before sex for the strongest, hardest erection you will ever have.

OUR OTHER SCIENTIFIC MIRACLE PILL!

PEARL+PLUS PILLS are guaranteed to sexually stimulate women of all ages. For increased blood flow, sexual enjoyment and intensify orgasms. Sexual sensitivity is produced by blood flow into the clitoris, labia and vagina. Only \$60.00 or FREE WITH ANY ORDER OF 3 OR MORE BOTTLES OF PRO+PLUS PILLS.

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

Order PRO+PLUS PILLS now.

Only \$60 for one bottle or 1 months supply. \$120 for 3 bottles or 3 months supply. **FREE!** Order 3 bottles or more and choose 1 FREE bottle of Pro+Plus Pills or choose 1 FREE bottle of Pearl+Plus Pills. You will get results within the first month and you will reach your optimum size in 3 to 4 months. Many of our customers continue taking Pro+Plus Pills to maintain good health and rock hard erections. Add \$40 for extra bottles. Any future orders are \$40 for each bottle. We never automatically ship more bottles to you and bill your credit card unless you re-order.

OUR 100% MONEY BACK GUARANTEE

If for any reason you are not completely satisfied return the bottle(s) within 2 months and receive a full 100% refund including shipping. Why do we make this incredible guarantee? Because every thing we say here is true and we know you will be satisfied with PRO+PLUS PILLS.

IMPORTANT: Because of the success of PRO+PLUS PILLS there are many imitations. If you do not see a **100% MONEY BACK GUARANTEE** then you **DO NOT** have a money back guarantee. We Offer a **100% MONEY BACK GUARANTEE.** Do you trust buying penis enlargement pills from a pharmacy or drugstore or from our research company PLUS MEDICAL an International Company in business for over 30 years.

I knew a girl who queefed so much, it was as if her cunt was a set of worn bagpipes hiding under her dress.

(continued from page 20) giving birth.

Pussy farts are not always caused by sexual activity; some women claim to experience them during yoga squats or other strenuous feats. Through skillful vaginal flexing, many fun-loving gals can actually produce them at will, causing great mirth at slumber parties and in the girls' bathroom.

"I personally find it empowering to have enough vaginal control to blast some asshole in the face with a queef when he gets too close to me," says a Portland erotic dancer who calls herself "Willow." She claims that intentional queefing is within the reach of every woman. "It's a matter of discipline and muscular training," says Willow, who has worked her ability to pussy fart on command into her stripping act.

There's ample cinematic evidence of such willful vaginal flatulence. Most notorious is perhaps a 1979 Mitchell Brothers film featuring one "Honeysuckle Divine" and her amazing talkin' snatch. A thing of repellent wonder, Ms. Divine's poony-ya-ya quacks, snorts, breathes, shoots ping-pong balls and blows out candles to the snickering delight of a San Francisco grind-house audience.

Another video has circulated for years that was allegedly sent by a wanna-be groupie to virtuoso guitarist Steve Vai. For what seems like ten hours, the would-be star fucker tries to woo the fast-fingered rocker by making frapping sounds with her sloppy gash. There are also reports of porn vids wherein a saucy female blows out every flame in a candelabra with her snatch before drinking a goblet of cum, and yet another where a girl pussy-farts into a flute. There's even a video called *Amber the Lesbian Queefer*.

But in stark contrast to such willful pussy-farters, perhaps millions of women not-so-silently endure the humiliation and social stigma of involuntary vaginal flatulence. What's worse is that there's no way to tell whether a potential mate will be prone to queefing. It's not like the vagina is a coal mine and you can send a canary in there to test whether it's safe.

"That it happens during sex is humiliating, but worse is the fact that I have no control over it," says a personal friend who requested that I use the pseudonym "Cheyenne." She claims that involuntary vaginal flatulence has happened to her only "a handful of times," but she cringes

just thinking about it. "You like to feel that you're in control of your body, but when something like that happens, you get the feeling that you aren't."

I have a friend who, back in his high-school days, dated a gal who once pussy-farted nonstop for a half-minute after he pulled his meat bone out of her. It was to be their last date. The next day in school, he told everyone of her vagina's didgeridoo-like performance. They all laughed and made cruel farting noises whenever she walked by them in the hallway. She was emotionally ruined and probably became a nun or a stripper.

I once knew a girl who queefed so much, it was as if her cunt was a set of worn bagpipes hiding under her tartan school-girl dress. She had straight black hair, a round face, and nostrils big enough to insert coins in them. And her cunt snorted like a bronco. It was a frickin' whoopie cushion. She spent much of our relationship speaking through a muff megaphone. She was disgusted and ashamed of her relentlessly belching cunt flaps.

And yet, maybe we're looking in all the wrong places. One often mistakenly search-

es for profound answers amid the tangible and pragmatic. As we all know, the vagina, for all its mucosal dribblings and bloody discharges, is a gateway into the mystical.

Is it possible that a pussy fart is actually the voice of the Goddess? Does a queefing cunt serve as some sort of Vaginal Oracle? Is that the voice of the Mother of All Creation speaking through the meat curtain? Is the pussy fart some sort of Lost Chord leading us all into a new gynocratic age? Viewed in such a celestial light, the vagina becomes a spiritual vessel, sort of like a tooth filling that receives radio transmissions. Perhaps the message is urgent, like a dog trying to lead villagers to a child trapped down a well.

Maybe it just sounds like dolphinspeak to us because our technology is too crude, our fall from grace too complete, to ever understand what Goddess is trying to say when she speaks through a pussy fart.

One mouth is never enough for a woman. Maybe we aren't listening closely enough, and maybe there is a message deep inside those talking vaginas, if we can only get past our understandable disgust.

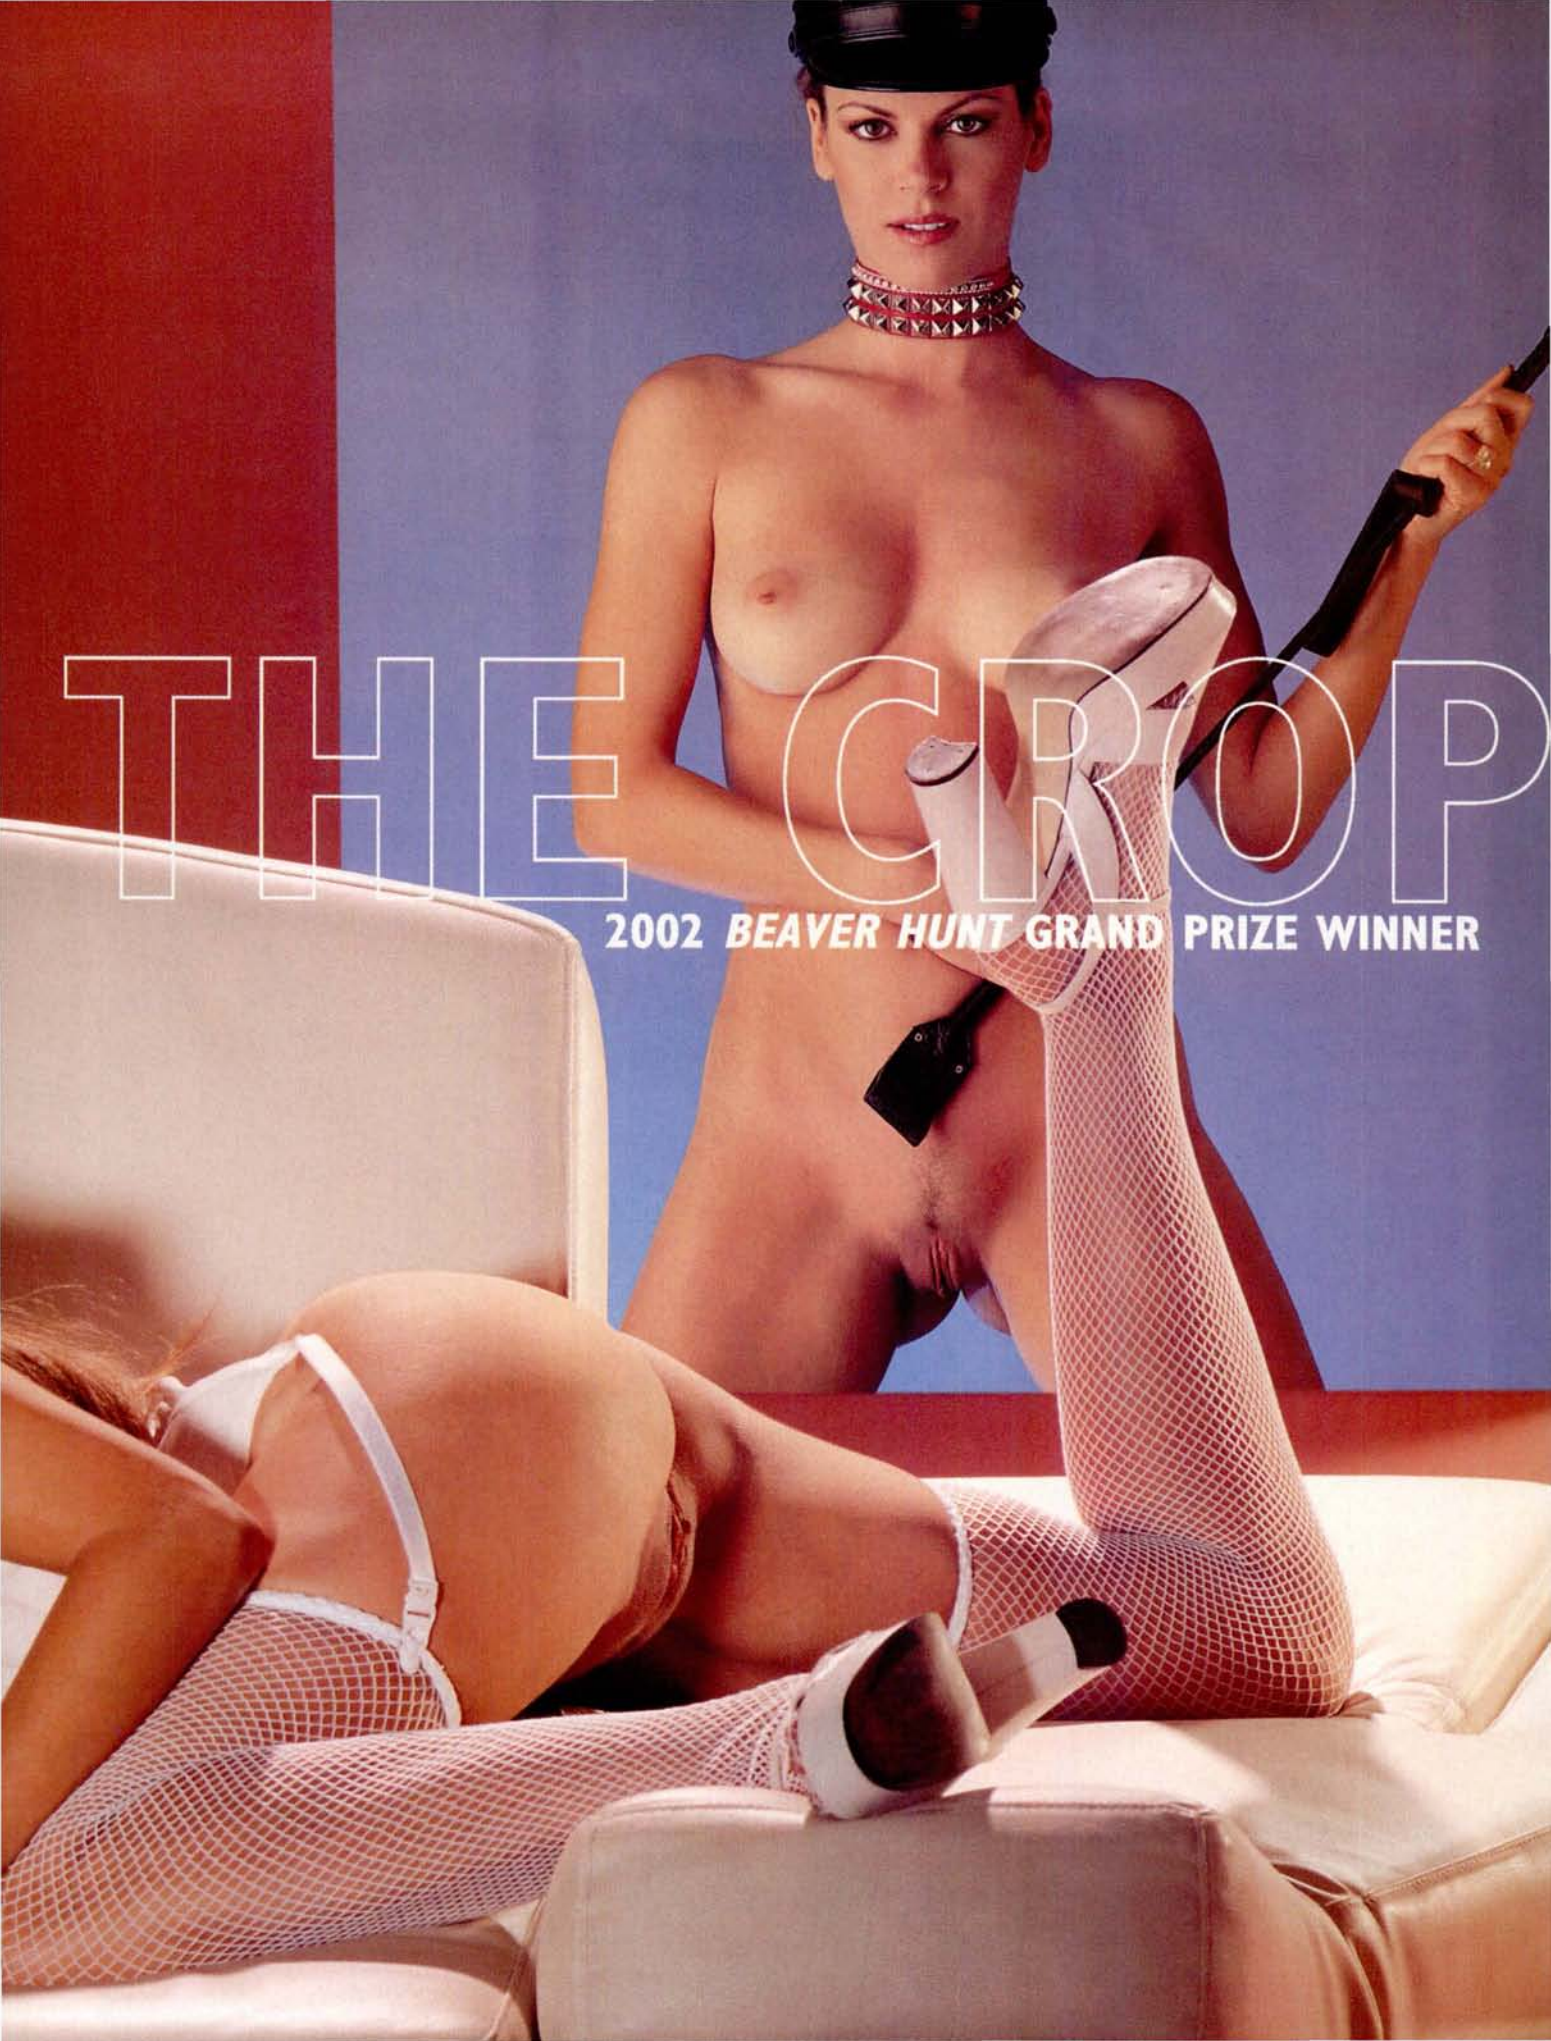

"I let him watch pornos with me."
